### CLOSING OF THE SCHOOLS

Classes Dismissed on Friday For the Summer Holidays.

The Collegiate Institute and public schools closed on Friday afternoon and all the "kiddies" are in a happy frame of mind, as for the next two months they will be able to set aside all their studies and have a good time.

It was the intention of the Board of Education to have the schools keep open until June 29th, but at the last meeting the trustees decided to close on the earlier date, and in view of the exceedingly warm weather, it was certainly a good move on the part of the trustees. The hot weather during this week has been most trying on the school children.

In many of the classes there was a special programme of songs and recitations to mark the closing, and in the primary departments ice cream treats were the order of the day.

In many places outside of Kingston the schools are not closing until the 29th, so the Kingston boys and girls are receiving a few extra holidays.

The new Robert Meek school will be ready for the fall term and the opening of the new school will go a long way to relieve some of the overcrowding in the classes.

Arrangements have been made for the opening of the playgrounds at Macdonald, Frontenac and Central schools.

### THE COUNTY COUNCIL BUDGET PRESENTED

Same Tax Rate as Last Year—Provincial Road Cost.

The county council on Friday afternoon adopted the budget presented by the finance committee. It provides for a tax rate of ten and one-half mills, the same as last year. The estimated revenue is \$123,760.61. All grants are the same as in 1920. Two new items appear, an allowance being made of \$2,000 for mothers' allowances and \$4,000 for the memorial window and tablet in the court house. While most municipalities have had to increase their taxation, Frontenac is able to get along with the same rate as last year for general purposes. There will, however, be an additional road tax next year in order to meet the expenditure of over \$101,000, being the county's share of the provincial highway through Kingston and Pittsburg townships. It has not been decided yet whether the debtures will run for seven or ten years, and final decision of this matter will not likely be made until the autumn.

### LATE MRS. ROBERT WELSH.

Burial Took Place at Howe Island on Wednesday.

The funeral of the late Mrs. Robert Welsh took place on Wednesday morning from the residence of her mother, Mrs. Thomas Prior, Howe Island, to St. Philomena's church, where a solemn requiem mass was said for the repose of her soul by Rev. Father Kehoe, Gananogue. It was one of the largest funerals ever seen on Howe Island, for the deceased was held in high esteem by numerous relatives and friends, and her sudden death was the occasion for expressions of deep regret, and sympathy with the bereaved husband and family.

Mrs. Welsh passed away at the Hotel Dieu on Monday after a brief illness. She was twenty-six years of age and possessed a sweet disposition that won her friends. For three weeks before her death she was visiting her sister, Mrs. M. P. Keyes, Princess street. Deceased was born on Howe Island and resided there all her life. She was a Roman Catholic in religion and took an active interest in church work.

Those surviving are her husband, her mother, Mrs. Thomas Prior, Howe Island; two sisters, Mrs. M. P. Keyes, Kingston; Mrs. J. A. McDonald, Calgary; and four brothers, William, Howe Island, and John, Eric and Bert, Calgary.

### Wounded Daughter Cannot Appear For Three Weeks

Cecilia Tryon, alleged to have been shot at Kaladar by her father, now awaiting trial in Napanee Jail, will not be able to give evidence at the preliminary hearing for three weeks yet, according to Dr. L. J. Austin, who has been attending her. The father, Kenneth Tryon, was to have appeared at the postponed preliminary hearing on Friday, but it was enlarged for another week. So far as is known no statement has been made by the girl and the hearing will probably not proceed until she can appear in person.

### OLD PASTOR IN SAD CASE

Putting Coal in Flames Pays Better Than Keeping Souls Out.

Vankleek Hill, Ont., June 24.—The feature of yesterday's session of Ottawa Baptists' Association was a stirring appeal for funds on behalf of the superannuation fund by Rev. J. S. Farmer, Ottawa, the newly nominated moderator. "It is a deplorable fact," said Mr. Farmer, "that superannuated Baptist ministers are eking out an existence selling books and insurance. I know a railroad fireman who receives in wages more a week than any minister of the Ottawa Baptist Association, bar one."
