CLOSING AT "BATESCOURT" INCIDENTS OF THE DAY

A Splendid Programme by the Young Folks—Presentation of Prizes. Racy Local News and Items of General Public Interest.

Interested friends of the school, as well as the parents of the pupils, filled the pretty rose-decked rooms at "Batescourt" on Monday afternoon for the closing programme and distribution of prizes. A Dicken's scene from David Copperfield was truly delightful, and the "grown-ups" followed with absorbed interest, the fortunes of David (Miss Audrey Hughes) received, and ably protected by Aunt Betsy Trotwood (Miss Mary Hora), from his cruel step-father, Mr. Murdstone (Miss Jane Waddell). The second scene was wonderfully good. The entry of Mr. Murdstone, in high collar and black cravat, black swallow tail coat and yellow waist coat, with his sister (Miss Marion Sawyer), a quaint and most sarcastic old maid, with yellow jacket and poke bonnet with black veil, who played her part with skill, was greeted with much applause. Aunt Betsy, in a black gown, white cap and side curls, acted her most difficult part in a manner to be envied by older and more self-conscious actresses, and her attack and routing of the cold and selfish Mr. Murdstone drew hearty laughter. Mr. Dick (Miss Tylie Wart and Janet (Miss Bunting Craig.) were very good. Recitations were given by Miss Frances Brigstocke, Miss Jane Waddell, and Miss Audrey Hughes. Miss Helen Ireland, Miss Alice Treadgold and Miss Frances Brigstocke recited together, and several pretty choruses were sung by the pupils. Then Dean Starr, in a bright speech, congratulated Miss Bates upon the success of her school, and presented the prizes as follows: Senior class, general proficiency, Helen Ireland; second class, Mary Hora; third class, Kathleen Carruthers; primer class, Audrey Hughes; primer class A, Gertrude Stephens; primer class C, Lorraine Lockett; good conduct, seniors, Helen Ireland; juniors, Audrey Hughes; sewing, Frances Brigstocke; drawing, Helen Ireland; lap bags, Edith Pense; handkerchiefs, Kathleen Carruthers.

These two horses have won the two fastest free-for-all races in Canada this year. This will be a sensational race. The three minute class for \$200 and the 2.18 and 2.30 classes for \$400 each are all well filled. About twenty-five horses will compete in these races. Five horses from Kingston have entered. Three games of baseball: 10.30 a.m., Mohawk Reserve and Adolphustown; 1 p.m., Tamworth and Napanee; 3 p.m., Verona and Picton. There is no finer park in Canada to enjoy an outing than the Napanee driving park. Lots of shade and the grounds are so laid out that the races can be seen from any point.

He was met at the G.T.R. station by representatives of the church. This evening the congregation will gather in the Sunday school hall of the church for the purpose of saying good-bye to Rev. W. T. G. Brown and Mrs. Brown, who are leaving for Ottawa, and also extend the hand of greeting to its new pastor, who comes from High Park avenue Methodist church, Toronto. On Sunday Mr. Bell will preach. Plans Big Programme

A tremendous 4th of July programme is announced. Manager Lechich, of the Ogdensburg fair grounds, has been busy for weeks arranging a programme far above the average for Independence day, and last evening announced that the 4th will not only have baseball, but horse racing and lacrosse. "Shine" Jillson is in charge of the horse racing events and is combining the counties on both sides of the river for speedy horses for the various races. The Ogdensburg Speed Boys will oppose the Ottawa K.C. team, headed by their star pitcher, who so handily defeated the local team a week ago. The lacrosse game will see the deadly rival Ottawa and Cornwall teams in action. These teams have fought bitterly for over 20 years, and are still at it. The programme on the 4th will begin at 2 p.m., new time, and assures a splendid list of events that should pack the fair grounds with the record attendance of the season.

HIS STORY JUST A MYTH

James H. Jackman Sent Back to Toronto by the Police.

The story that James H. Jackman told Magistrate Farrell on Monday morning, about having an appointment with a local man regarding a position was all a myth. The police investigated and found that Jackman simply imagined that he was going to get a job. James was before the court Monday on a charge of vagrancy, and was remanded in order that he might look up the position. As a result of his not being able to land the job, he will be sent back to Toronto. "We will have you sent back to Toronto, where you belong," said the magistrate. "We are willing to look after our own people, but we cannot look after people from Toronto." Percy Robinson, remanded from Monday, on a charge of being intoxicated, was fined \$10 and costs, and the mystery concerning how a bottle of liquor got into his pocket remains unsolved. Edward Stokes, on remand for a week, on a charge of being intoxicated, was sent to jail for three months, or until such time as he discloses where he secured the liquor he got intoxicated on. He claimed he got his liquor at his own home, but this appears to be a fairy tale on his part. E. J. Hartrick, Division street, has returned from Niagara Falls, where he attended a convention of the Ontario Electric Association, held last week. The road to Cataract will be opened in two weeks' time.
