**IS GLAD SHE TOOK FRIEND'S ADVICE**

**Toronto Woman Says She Feels Like a Different Person Since Taking Tanlac.**

"I am certainly glad my good friend got me to try Tanlac, for it has only taken me a few minutes while to make me healthy and strong," said Mrs. Walter Scott, of 53 Charles street, Toronto.

"I underwent a serious operation about eighteen months ago, and although it proved successful, it left me in a badly run-down condition. I simply felt miserable, was melancholy and had no energy or strength. My appetite was very poor and I scarcely got any nourishment from the little I did manage to eat, for I couldn't digest my food properly. It had splitting headaches, and became so dizzy I almost fainted at times. I had fearful pains in my right arm and across my shoulders, and my sleep was so restless I felt more tired out mornings than I did on retiring the night before.

"Mrs. Morrow, who lives at the same address I do, got me to try Tanlac, and in almost no time it had me eating anything I wanted without a bit of trouble. My appetite is just fine. I am free from aches and pains and sleep like a child at night. Why I simply feel like a new person and I can't say enough good for Tanlac. It's the best medicine ever made."

Tanlac is sold in Kingston by A. P. Chown—Adv't.
