HILLCRESTS DEFEATED 5-4; PONIES WON YESTERDAY

Teams About the Same Calibre
Gallagher and Murphy Twirling.

Ponies showed a little tighter baseball last evening when they defeated Toronto Hillcrests, champions of the Western League in that city by one run, final count giving 5 to 4 for the local nine. The game was close throughout with honors divided fairly evenly. The team from up the line is a snappy little aggregation of about the same calibre as the local team and a good game was the natural result.

Saunders redeemed himself with the fans by brilliant fielding and a wicked willow at the plate. Two or three times he picked hot ones that looked like sure hits and at the bat drove out two nice hits and romped home with one of the five tallies. Cherry sized up alongside him at the plate with two out of four as also did Bill Evans with one out of two.

Gallagher was steady as usual, with a slight leaning to the walk list, five getting free tickets. Eight hits were taken from him and nine walked the strikeout plank.

Murphy threw a neat game for the visitors. Ponies touched him for nine hits and four walks with none striking out. Murphy's support was good and there might have been a different story had it cracked.

Two or three good plays were made by the locals which call for mention. Daley drifted a homer to centre the first time up, sending in Johnny Evans before him and giving the Ponies the two-run lead that pulled them out winners, and Thompson grabbed a hot one in the fifth.

Tomorrow evening these teams meet again, and it will likely be Derry's job to hold them down. It is likely that Lancaster will be his opponent and the battle should prove interesting.

The teams:
Hillcrests—Waldron ss, Hennessy c, Batstone 3b, Samuels 1b, Pete Ir-

win lf, Lancaster 2b, Atwood cf, B. Irwin rf, Murphy p.
Ponies—Thompson rf, J. Evans c, Daley 1b, Saunders 2b, Cherry cf, Gallagher p, Twigg 3b, W. Evans ss, George lf.

CLEARED FOR ACTION; SOON UNDER WAY

Privileges For Subscribers—That \$75,000 Rink Already Beginning to Take Definite Shape.

With the second week in this month as the time set for canvassing this city, the committee in charge of raising the funds for the new Jock Hartly Rink at Queen's is getting decks cleared for action and preparations are being made to shove the drive over the top with a bang. Of the \$75,000 needed, \$50,000 will be raised outside and the remainder in Kingston. That \$25,000 section is what we are all particularly interested in.

The Athletic Board of Control of the university has decided to hold out some special inducements to subscribers to the fund. All those local parties contributing \$50 or over will be privileged to secure two tickets to any hockey match taking place in the rink, one day before the seating plan is open to the general public. Those who follow hockey know just what a privilege this is. The fact of being able to secure good seats, the seats they want, and that without any trouble, by making this contribution for such a worthy purpose will cause many hockey lovers to exert their purses fifty dollars' worth.

The general plans and sketches of the new building are now to be seen in the windows of the local newspapers. A glance at them will convince any possible skeptics that this new building will be a boon to the city generally, and to sport in the city very particularly. It is spacious and pleasing to the eye and will be a credit to those by whose efforts it will be constructed.

The outlook from outside circles is becoming surprisingly better every day. Enquiries from graduates and others interested in Queen's are coming in daily, to find out how much money is needed and where donations should be sent. The committee expects to be able to announce two or three very substantial donations in a few days. Meanwhile, start gathering yours together.

K. C. I. Girls Won.

The K. C. I. girls easily won out by a score of 30-16 in the baseball game played on the lower campus last evening between Queen's summer school ladies' team and the K. C. I. team. The game was exciting and very close until towards the last of the game, when K. C. I. walked away with nineteen runs in one inning. For the first five innings both teams played close ball but in the sixth and seventh the girls were hitting the pitchers more freely, and as a result were able to score the runs. A large crowd was on the sidelines and were loud in their praise of the good plays.

The teams:
K. C. I.—Misses Kennedy, Vince (pitcher), Gibson, Synder, Ada, Lytle, Bearance, Kelly, Phillips.
Q. S. S. A.—Misses Cornell, Baird, Martin, Banks, Peck, Scott, Wiloughby, Outram, Cattanaach (pitcher.)

"Ted" Saunders gets a groan one game and a cheer the next. So far the cheers are far in the lead. It is the way with old-timers. When they're off they sure are punk, but when they're on they can't be beaten. "Shag" may be able to do something with the Syracuse Stars. If there is anything in them "Shag" will cuss it out, all other methods failing.

By winning the senior quarter-mile singles at the Canadian Henley, Bob Dibble retains his sculling title. We'll soon be able to call Bob, the "grand old man" of sculling.

"Alex" Romeril is slated to manage Granites, Frank Carrol to coach the same team and "Jerry" Laflamme to retire.

"Duke" McCurry has returned to Timmins, where he will play hockey next winter.

TONIGHT.
This evening at the cricket field, Toronto Hillcrests and Ponies meet once more. Those who saw the game last evening thoroughly enjoyed it and the one coming today should be equally as good. Fans may have an opportunity of seeing Artie Lancaster, of whom we have heard much these past few weeks, in the box for the visitors, and Derry will likely oppose him. The battle will be good to watch.

His Flesh Horribly Burnt

His druggist sold him a cheap Acid corn remedy, instead of giving him good old reliable Putnam's Corn Extractor, which has been for fifty years the standard remover of corns and warts. "Putnam's" never fails. It is always a success. 25c. everywhere. Refuse a substitute.

Koster, former De la Salle C.I. senior team, goal-keeper, is said to be in Timmins. "Babe" Dye will likely be sold by Brantford to the Boston Americans.
