

LOST 29 POUNDS. DYSENTERY WAS THE CAUSE.

Dysentery is one of the worst forms of bowel complaint, and hardly any other disease so quickly undermines the strength and brings about a condition of prostration and utter collapse that often terminates fatally.

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY.

Mr. G. H. McVagh, Mawer, Sask., writes: "About eight years ago I had a severe attack of dysentery. I was sick for three weeks. I weighed 154 lbs., when I took sick and 125 when I got it stopped. I think I tried every medicine on the market, but did not find relief until I used Dr. Fowler's Extract of Wild Strawberry, and one bottle did it. I think there is nothing like it for diarrhoea or dysentery. I always keep some on hand as a person does not know when he will need it."

Price, 50c. a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

His Status. A friend who had known Thomas Riley Marshall for a great many years saw him after the cares of office had been removed from his shoulders, just as he was about to board a Washington street-car. He stopped and asked him: "Tell me, Mr. Marshall, what can be done to make the office of vice-president a great office?" "I'll tell you in one minute, and I won't even have to kiss this car," said Mr. Marshall. "There isn't anything you can do. The vice-president will always be chambermaid to the king." Diplomatic Willy. "Didn't you know it is against the law to beg for money?" said the lady to the tramp at the back door. "I wasn't goin' t' beg for no money, ma'am." "Its just as bad t' beg for bread." "I wasn't goin' to beg for no bread, ma'am." "What were you going to beg for then, pray?" "Only for one o' your photographs, ma'am." The smaller the dog the bigger the bluff he makes.
