A BIG DAY AT ENTERPRISE

Two Baseball Matches and a Horse Race Held Wednesday Afternoon.

Wednesday afternoon was a big day in the village of Enterprise, when about fifteen hundred people from the surrounding district gathered at the recreation ground, located about one-quarter of a mile from the village, and spent an enjoyable afternoon witnessing a first-class horse race and two exceptionally good baseball games.

The committee in charge, composed of B. M. Sparks, chairman; W. H. Wagar, secretary; A. E. Smith, H. W. Wagar and Stanley Bell are deserving of great credit for organizing this event.

The people of Enterprise district certainly live up to the name of their village, which was shown on Wednesday afternoon by the enthusiastic crowd which was on hand. This is the first event of this nature which has been run by the young men of the village, and judging from the showing, it will not be the last.

Enterprise Defeats Marlbank.

The baseball game between Enterprise and Marlbank was won by the former by a score of nine to five. The game was featured with a lot of good hitting and playing. The winners appeared to have the best of the argument most of the time. In the first innings, Ross Bell and Kellar scored for the winners, the latter knocking out a home-run with Bell on base.

Lakeviews Win From Verona.

The second baseball game, between Lake Views and Verona, resulted in a win, by a score of 10-4 for the Kingston team. The game was a good one, and after the third inning the Lake Views were leading throughout. Williams started in the box for Verona but was replaced in the seventh by Trousdale. During this period, Williams had seven runs pass in, struck out seven and had eight hits taken from his offerings. Trousdale, who followed on the mound, had three runs in the two innings, struck out one and allowed four hits. James was on the mound the whole nine innings.

Painful Diarrhoea.

CRAMPS IN STOMACH

Mr. Fred Funston, Craik, Sask. writes:—"A year ago last harvest I was taken with a sudden attack of diarrhoea which completely laid me out, and in a few hours I had to quit work. The cramps in my stomach were dreadful, the beads of perspiration would stand out on my face at times I was in such great distress. At last I got a chance to send to town for a couple bottles of Dr. Fowler's Extract of Wild Strawberry. I used it according to the way I felt and soon obtained a great change for the better, for which I was very thankful. I don't know what the cause of my sickness was except the extremely hot weather and the active work of stocking the wheat.

"Several of my neighbors were taken the same as myself and had the doctor attend them, but they didn't get relief until I advised them to use 'Dr. Fowler's,' when they soon experienced a great change."

Dr. Fowler's Extract of Wild Strawberry has been on the market for the past 75 years and many cheap imitations are being offered to the public.

THE "HEAL-ALL" OF THE INDIANS

There is an herb which grows wild on our Western Plains known as "Manzanita" and to which the Indians attribute wonderful healing virtues.

There is no question but that nature has bounteously provided in the roots and herbs of the field a remedy for many of the ills to which human flesh is heir. This is demonstrated by the wonderful success of that root and herb medicine, Lydia E. Pinkham's Vegetable Compound, which for more than forty years, has been relieving women of America from some of the worst forms of female ills. It will certainly pay any woman who so suffers to try it.

Green Horse Race. Three horses were entered in the green race, which was won by Maude Murphy, owned by Frank York, Tamworth. This horse was able to take the lead from the start and hold it during the three heats.

The officials were Otis Huffman, Moscow, starter; James Fisher, Moscow, and Maurice King, Enterprise, judges. During the evening a dance was held which was greatly enjoyed by all who remained.

A VERY WELCOME VISITOR

Rev. Thomas Joplin, Field Secretary of Shantymen's Christian Association.

Rev. Thomas Joplin, field secretary of the Shantymen's Christian Association, is spending a few days at the local Y.M.C.A. in connection with his campaign for funds. With a deficit of about \$1,500 and over forty missionaries engaged in bringing the gospel to the lumber workers throughout Canada and the northern United States, he says the need for assistance is very great.

The association is now considering whether it can find a way to assist the unemployment situation by taking men to Northern Ontario to clear the forests, and a definite decision is expected shortly. Mr. Joplin will only be in Kingston for a short time, as there is a pressure of duties in visiting the various towns.
