MARRIED ON THURSDAY

An Interesting Event at Napanee—Ladies Bowling and Supping Tea.

(From our own correspondent) Napanee, Sept. 2.—A very quiet wedding took place yesterday morning in Grace Methodist church, when Miss Neta H. Dinner was united in marriage to William J. Joyner, of the Merchants' Bank, Toronto. Only the immediate friends of the bride were present. After the ceremony a wedding breakfast was served at the home of Mrs. Richard McNeill, Bridge street. The newly married couple left on the 3.30 G.T.R. train for the east, where a short honeymoon will be spent. Mr. and Mrs. Joyner will make their home in Toronto.

Mrs. Wellington Perry left yesterday for Winnipeg, being called home on account of her husband's illness. She has been visiting friends in Camden East and vicinity for a couple of months. Mr. and Mrs. A. A. Fraser, New York, are the guests of his mother, Mrs. J. A. Fraser. The Napanee public schools opened on Thursday and a very good attendance is reported.

On Wednesday afternoon four rinks from the Ladies' Bowling Club, Belleville, motored to Napanee to play a friendly game with the Napanee ladies. After bowling for about an hour, afternoon tea was served in the beautiful club room, tastefully decorated with cut flowers. Mrs. J. H. Madden and Mrs. W. P. Deroche poured tea, and were assisted by a number of young ladies. At 6.30 high tea was also served in the spacious club rooms. After tea another series of games were arranged and after the finals the ladies enjoyed watching the dancing in the club room and on the spacious verandah, which was also decorated with colored lights and flags. Mr. and Mrs. Charles Walters provided the music, which was much appreciated by everyone.

In the afternoon Miss McLean's rink lost to Mrs. Pollard; Mrs. Dolan won from Mrs. Madden; Mrs. Stork lost to Mrs. Deroche; Miss Hurley won from Mrs. Loyst. In the evening Miss McLean won from Mrs. Gleeson; Mrs. Dolan won from Mrs. Bedore; Mrs. Stork lost to Mrs. Taylor; and Miss Hurley won from Mrs. Boyie. The day was ideal and the visitors were loud in their praise of the hospitality shown them by the Napanee ladies.

Mrs. J. G. Daly and Miss Celestine returned yesterday from spending a couple of weeks at Gananoque Inn. Mr. and Mrs. D. C. McKenzie, Toronto, were in town for the wedding of her sister, Miss Neta Dinner.

Mrs. Frank Hamilton left yesterday for Renfrew to be the guest of her sister, Mrs. Robert Foster.

REASONABLE RENT IS DEFINED BY COURT

Return of Ten Per Cent. on Present Value of House Just.

New York, Sept. 2.—The problem of the definition of "reasonable rent," which has been the subject of great controversy in the municipal courts since the amendments to the new rent laws were adopted, was settled by the Appellate Division of the Brooklyn Supreme Court, which ruled that a reasonable rent was a return of 10 per cent. on the present value of a house.

In an opinion written by Justice Shelby and concurred in by Justices Cropsey and Lazansky, five rules, intended for the guidance of municipal courts, are promulgated. They are:

- (1) Determine the present fair market value of the premises.
- (2) Determine the gross rentals demanded by the landlord.
- (3) Determine the allowable operating expenses for the past year.
- (4) Deduct from the gross rentals the operating expenses, and this will give the net rental.
- (5) If this net rental does not exceed 10 per cent. of the present value of the property, then the rent demanded is not unreasonable. The reasonableness of a rent charge may vary under changing financial conditions.

4,000 NEWSPAPERS STOP PUBLICATION

Suspension of the Wellesley (Ont.) Maple Leaf Develops Astounding Figures.

The Wellesley, Ont., Maple Leaf has ceased publication. In its farewell notice H. W. Kaufman, the publisher said:

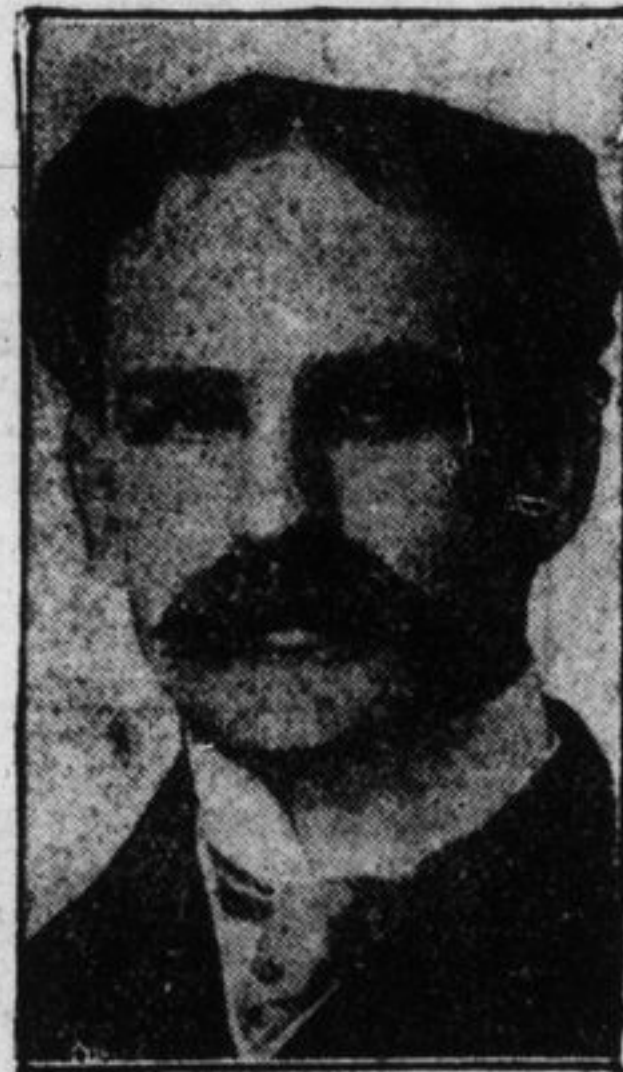

"After a struggle of over twenty-one years, The Maple Leaf goes the way of most country papers during the past four years. During these four years the cost of production has increased from 200 to 300 per cent., while the income is practically the same. This has caused the suspension or amalgamation of over 200 newspapers in Canada during the past few years.

"The reason the newspaper graveyard is so full is shown by an editor who has been investigating the cause of the high mortality. He figures out that in 1907 wages were at a 100. In 1914, they had advanced 178, and in 1921, the figure was 393. Newspaper postage, which cost the normal of 100 in 1907, was 147 in 1914, and 337 in 1921. Ink was 100 in 1908; 200 in 1914, and today stands at 331.

"Editorial expense advanced from 100 in 1907 to 120 in 1914, and 241 in 1921. Miscellaneous expenses went from 100 in 1907 to 125 in 1914, and to 244 in 1921. By taking the average of all newspaper costs, it was found that while the average or index number of 1907 was 100, in 1914 it was 159, and in 1921 it reached the high mark of 411.

"More than 4,000 newspaper publications have thus gone out of existence in the United States and a corresponding number of them in Canada."

OLD MAN ENDED LIFE.

George E. Felt, of Hammond, Was in Bad Health.

Brockville, Sept. 2.—Albert Palmer, of Brockville, while visiting at the home of his father-in-law, George E. Felt, of Hammond, across the river from here, was summoned to the bedside of his host, to find that Felt had committed suicide by cutting his throat with his razor. Felt had been despondent over ill-health, and had previously made an attempt upon his life. He was 70 years old.

Will Enforce the Law.

Winnipeg, Sept. 2.—Enforcement of the province's educational laws in regard to the teaching of English to 7,500 Mennonite children in Manitoba will be fully carried out when the fall school term opens. Public schools now extend to every part of the Mennonite colonies. Eight new schools are ready for occupation, while five more will be constructed before winter. The schools just completed and those under construction are in the heart of the Mennonite settlements where the "old colonists" reside and who are most opposed to the public schools.

In the majority of districts, the Mennonites have become resigned to the public schools, and in certain locations are renting the old Mennonite schools, officials announce.
