### LITTLE BITS

Just because we're quiet doesn't mean that we are dead, nor that we have yet given up the idea of a city rugby league in Kingston.

Breen, Mackenzie, Earle, Wallace and Sullivan will be missed by Toronto University rugby team this year. Toronto will no doubt whip a good crowd into shape, however.

"Curly" Clements, who played on the backfield of the Hamilton Rowing Club some years ago, has announced his intention of turning out with Ottawa Rough Riders.

Athletics, of the Montreal City League, who played four games here this summer, have been put out of the running in the league by Crescents. Now we'd like to see Crescents.

Watertown K. of C. team plays Ponies here this afternoon and the big question is, who will pitch for them? "Ted" Gallagher was their moundman on more than one occasion this season.

Carl Mays won his twenty-third game of the season when he turned back Hughie Duffy's stalwarts in the opening tussel on Thursday, while the second game was a pitching duel between Pennock and Harper. Ruth busting the duel when he bust the ball on the nose, sending Peckinpaugh home ahead of him.

"Red" Batsons will coach the Excelsior Junior O.R.F.U. team this season, and last night had the squad at work at High Park. Another practice will be held Saturday afternoon, when all players desiring to join a fast junior team should turn out. Among those asked to turn out, B. Briton, Thompson, Sinclair, Brooks and Humma are asked to take notice.

Bout Was a Farce, Opinion of Tex Rickard  
Johnny Wilson, middleweight champion, summoned by the New Jersey Boxing Commission Friday to face charges that he broke his contract by giving a poor boxing exhibition Labor Day in his bout with Bryan Downey, Cleveland, Brad Tex Rickard, the promoter, testify that he considered the fight a farce. Rickard said he thought Wilson "a disgrace to the game," and that he should be ruled out of the ring for life.

**Sure Protection For You While You Travel**  
You may find the water bad, some poorly cooked food may excite trouble, a draught from a car window may give you an ache or pain—a cold room or damp sheets may cause rheumatic twinges. Remember this—any pain that is caused by congestion yields rapidly to Nerviline. When your stomach is sour and upset, just try the magical effect of twenty drops of Nerviline in sweetened water. If cramps waken you in the dead of night, Nerviline will fix those awful cramps in a hurry. Keep a 35 cent. bottle of Nerviline in hand—always.

### WOMEN FAILED TO SWIM CHANNEL.

The figure on the right is Mrs. Arthur Hamilton, who has received a lot of unpleasant notoriety in England by reason of her claim that on August 20th she got within four miles of success in swimming the channel. She told of encountering a school of porpoises during her attempt, but her failure to produce witnesses to her feat has subjected Mrs. Hamilton to a lot of criticism. Standing with Mrs. Hamilton is Miss Nora Forbes, who also attempted the long swim, but lasted only a few hours.

Boxing Commissioner McNair, who brought the charges, said he heard Wilson's seconds counsel him to continue keeping away from Downey and not to lead. Wilson denied this. The hearing was adjourned until Tuesday to allow Wilson and his manager time to obtain counsel.

B. L. Anderson, secretary of the Royal Canadian Golf Association, received a wire from W. P. Vanderpool, New York, secretary of the United States Golf Association, Thursday making entry for Miss Alexa Stirling in the Canadian ladies' championship to be held at Rivermead Golf Club, Ottawa, Sept. 19th to 24th. Miss Stirling is the present lady champion of Canada and the United States, but will have to dispose of Miss Cecil Letch, English lady champion, in defending her Canadian title this year.

**Some Swim.**  
Completing a 145-mile swim begun at Albany last Friday, Miss Millo Cude, 22-years-old, arrived at Battery Park, New York, at 10.57 o'clock Friday morning. A launch and a rowboat accompanied her down the Hudson and she slept and ate aboard the launch. She left Albany at 9.30 o'clock last Friday morning and covered, including detours, approximately 153 miles. She was in the water 63 hours, 35 minutes.
