THE TRIALS OF A HOUSEWIFE

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—"I took Lydia E. Pinkham's Vegetable Compound for a female trouble and headache. It began just after my baby was born, and I did the best I could about getting my work done, but I had awful bearing-down pains so I could not stand on my feet. I read in the papers about Lydia E. Pinkham's Vegetable Compound and the good it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish."—Mrs. HERBERT L. CASSEN, 18 Meni Court, Providence, R. I.

Ohio woman for three years could hardly keep about and do her housework she was so ill. Made well by Lydia E. Pinkham's Vegetable Compound: Fayette, O.—"For about three years I was very nervous and had headache, dizziness, dragging-down pains, could not sleep at night, and had no appetite. At times I could hardly do my housework. I got medicine from the doctor but it did not help me. I saw Lydia E. Pinkham's Vegetable Compound advertised in a newspaper and took it with good results, and am now able to do my housework. I recommend your medicine to my friends and you may publish my testimonial."—Mrs. CHESTER A. BALL, R. 15, Fayette, Ohio.

An Illinois woman relates her experience: Bloomington, Ill.—"I was never very strong and female trouble kept me so weak I had no interest in my housework. I had such a headache I could not cook a meal or sweep a room without raging with pain. Rubbing my back with alcohol sometimes eased the pain for a few hours, but did not stop it. I heard of Lydia E. Pinkham's Vegetable Compound, and six bottles of it have made me as strong and healthy as any woman; and I give my thanks to it for my health."—Mrs. J. A. McQUITT, 610 W. Walnut St., Bloomington, Ill.

The conditions described by Mrs. Cassem, Mrs. Ball, and Mrs. McQuitt will appeal to many women who struggle with their daily tasks in just such a beyond belief. Day in and day out they slave in their homes for their families—and beside the daily routine of housework, often make clothes for themselves and for their children, or work in their gardens, all the while suffering from those awful bearing-down pains, headache, dizziness, nervousness, the blues, and troubles which sap the very foundation of life until there comes a time when nature gives out and an operation seems inevitable. If such women would only profit by the experience of these three women, and remember that Lydia E. Pinkham's Vegetable Compound is the natural restorative for such conditions it may save them years of suffering and unhappiness.

There is hardly a neighborhood in any town or hamlet in the United States wherein some woman does not reside who has been restored to health by this famous medicine. Therefore ask your neighbor, and you will find in a great many cases that at some time or other she, too, has been benefited by taking it, and will recommend it to you. For more than forty years this old-fashioned root and herb medicine has been restoring suffering women to health and strength. Lydia E. Pinkham's Private Text-Book upon "Allments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This Book contains valuable information.

To-morrow's HOROSCOPE

By Genevieve Kemble

THURSDAY, SEPT. 15.

This promises to be a day of importance, with possibly memorable events, according to powerful planetary operations. The dominant force are those making for bold adventure, resolution and the disposition to make abrupt and radical change. The tendency may be to disrupt the old order in all things. Removal and travel are indicated, also a marked inclination to excitement and pleasure. All should result satisfactorily if kept under proper control.

Those whose birthday it is may look for an eventful year with important change or travel. Pleasant results are promised from wise management of affairs, both in business and pleasure. A child born on this day will be courageous, resolute, fond of large adventure, and may be given to travel, especially upon the water. On the whole, its life will be interesting and successful.
