**HAD NERVOUS BREAKDOWN**

Mrs. Ireland Permits us to Publish this Letter for the Benefit of Others Who Are in Her Condition.

Waraw, Missouri.—"For five years I was weakly, nervous and in a run-down condition. Then I had a nervous breakdown and doctors said I would never be well again. After I took seven bottles of Lydia E. Pinkham's Vegetable Compound I was healthier, stronger and felt better than I ever did in my life before. I can't praise the Compound enough and will recommend it to all women. You may publish this letter if you think it will help others."—Mrs. FLOYD IRELAND, R. R. 1, Waraw, Mo.

Nervous women are both ailing and wretched, and with a nervous breakdown all joy goes out of a woman's life. It is said that the ills peculiar to women act on the nerves like a fire-brand.

Lydia E. Pinkham's Vegetable Compound is successful in overcoming such conditions, and a large number of American women who were once great sufferers from nervous troubles owe their present health and comfort to it and it contains no narcotics or harmful drugs.

It makes a poor display, this radium received at Toronto General Hospital for needles and tubes. Yet it holds out hope to no one knows how many sufferers from cancerous growths.
