THE REX STOCK COMPANY SIR HENRY DRAYTON MAY

Presents "Fair and Warmer" at Grand-William Yule in Vaudeville.

"Fair and Warmer" was presented by the Rex Stock Company before a crowded house at the Grand on Thursday night, and Rex Sackrove and Zana Vaughn filled the leading roles with great success. William Yule, a former Kingston boy, made great hit in vaudeville between the acts, and the Park Kiddies were delightful. "Fair and Warmer" is the famous

comedy that has gained a complete hold on the theatre-going public and it is presented by this company of stars in a way that only Rex Snelgrove can interprete it. From the rising of the curtain in the first act to the close, the interest of the audience was kept at the point of excitement. The part of "Billy Bartlett" was admirably acted by Rex himself; Jack Wheeler by Billy Seymour; Mrs. Wheeler by Zana Vaughn whose emotional qualities were seen at their best; Philip Evans by William Mitchell; the moving gents by William Yule and his helper, Charles Hannah, Gloria Machan took the part of Laura Barlett, the young wife, who caused all the trouble by her desire for romance, but who was completely cured of it. Hazel Williams received repeated applause in the character of Tessie.

William Yule appeared in vaude types of clergymen in amost humortype of clergymen in a most humorcus way, as well as a stuttering school boy chum reciting "Marmion an dDouglas." He was repeatedly applauded during his act.

"Fair and Warmer" will be shown by the Rex Stock Company to-night and Saturday, with a special matinee on Saturday afternoon. It is one of the gems on the programme of this commany and none who love good comedy should miss it.
