### PORTSMOUTH SCHOOL CLUB

#### E. O. Sliter and County Inspector S. A. Truscott Gave Addresses.

The first monthly meeting of the Portsmouth Home and School Club was held in the principal's room Monday evening. The meeting was well attended and greatly enjoyed. Owing to the inability of Mrs. Smith, who was elected president at the organization meeting, to act, she resigned, and Mrs. Morris, vice president, was elected president and Mrs. Smith vice-president.

E. O. Sliter, principal of the Kingston Collegiate, gave a much appreciated address on the object and work of Home and School Clubs, pointing out what a source of power such clubs were in improving school conditions. Inspector S. A. Truscott also spoke regarding the benefits of such clubs, and gave a very interesting talk on the methods of ventilating and otherwise improving school properties. The addresses of both speakers provoked so much discussion that Principal Sliter was led to remark that if future meetings brought out anything like as much information as this one those attending would certainly be well endowed with superior knowledge.

During the evening Miss Christina Diack, accompanied on the school piano by Miss Lois Taylor, sang two solos which were greatly appreciated.

Coffee, cake and sandwiches were served by the ladies during which time a most enjoyable half hour was spent in social intercourse.

The next regular meeting is to be held Tuesday evening, November 2th.

The rural school fair held here last Wednesday was a great success; even the weather was favorable. The exhibits were considered wonderful for the season. The fancy dress drills from the different schools reflected great credit to the teachers, for surely a great deal of time must have been spent in preparing and training the public school pupils. An exhibition game of baseball was played between Morven and Odesa teams. The score was 8-7 in favor of the locals. The races afforded considerable amusement and it was a day to be remembered by the school children, especially those who won the prizes and had money to take home with them.

### LOOKING FOR A DRIVER WHO RAN INTO A COW

#### The Police Asked to Locate an Alleged Reckless Autoist.

The police were notified on Tuesday morning, that a man driving an automobile out on the York Road had run into a cow on the roadway, and that the cow had suffered a broken shoulder bone. It is stated that the driver of the car did not stop after the accident, and now the car owner is anxious to locate the driver, whom he claims showed negligence. It is stated that the farmer who owns the cow, was driving his herd from one field to another field across the roadway. Two cars were coming along the road. The first car kept clear of the cows, but the second one, so it is alleged, ran into a cow, and continued on its way. The police are endeavoring to get trace of the driver.
