### Kingston Officers May Attend.

Lord Byng, of Vimy, will be the guest of honor at a re-union dinner to be given by the Canadian returned officers at the Windsor hotel, Montreal, on the evening of Armistice Day, November 11th. Among the other distinguished soldiers who will be present are Sir Arthur Currie, former commander of the Canadian Corps in France, and also the commanders of the four Canadian Divisions. It is hoped that General Pershing may be able to attend. As there are a large number of returned officers in Kingston and district, it is expected that some at least will be present for the occasion.

### Y. M. C. A. Mothers' Council.

A well attended meeting of the Mothers' Council, Y.M.C.A. was held Friday afternoon with the president, Mrs. George Bateman, in the chair. The recent rummage sale netted about \$90. Arrangements were made for the annual thank-offering meeting to be held in November. It was decided to give a little hand in the new ceiling which has recently been put in the gymnasium, and a sum of money will be handed over to the property committee for that purpose.

### Queen's Convocation.

Queen's fall convocation is to be held next Wednesday evening. Thirty-two degrees were announced as a result of the fall examinations, but it is likely that most of these degrees will be awarded in absentia as many of the graduates are those who were in attendance at the summer school and are now teaching in schools throughout the dominion. The trustees of the university are to meet in the afternoon preceding the event in the evening.

### Sun-Down Special Sale.

You can get a big basket of Keifer pears for 75c to-night at Carnovsk's.

Sir Edward Sterns, chief of Stern Brothers, London, states that members of the commission which recommended the lifting of the embargo on cattle do not know anything about agriculture, and that all Irish, English and Scottish opinion is opposed to it.
