LITTLE BITS

Buck Crouse fought McTigue in Montreal the other day, and Buck Crouse the second wires that he was not in Montreal on the night of the fight. They are "having some time getting things straight down there."

The skating season is in full swing in Toronto, hockey practices start next week, and there is talk of O. H. A. games early in December.

Another little \$500 fine has been added to Tex Rickard's expenses for the Dempsey-Carpentier bout.

The rugby atmosphere around Queen's is in a curious state of tranquillity. The condition might be described as the lull on the eve of a great battle. Queen's go to Toronto without boasting or advance notices, but with the fixed determination to make a super-effort to win the game. They will need every ounce of energy and intend to use the last, if necessary. After Toronto, McGill is not looked upon as so serious an obstacle.

We hear that in 1913 McGill defeated Queen's 49 to 2 in Montreal and were defeated when they came to Kingston.

Varsity second by beating the stubborn St. Michael's on Wednesday, are now booked to play off with R.M.C. for the final honors. Home and home games will be played, and Kingston will have another fine rugby fixture this year.

Queen's invade the Varsity Stadium on Saturday, and a great old game is sure to result, both will be fighting to the last ditch to hang on to the honors in the Intercollegiate. The showing by Queen's this year has made the Student circuit more than a two team race—Ottawa Citizen.

Kingston fans are confident that the tri-color will trounce the Blue and White right in Toronto, and they figure that the championship rests between these two. Funny, but many Toronto people are of the same opinion.—Ottawa Citizen.

CITY BOYS PRACTISE.

Wolves Have Good Turnout Each Afternoon—May Develop Something Better Next Year.

The Wolves, a rugby team started by a number of city boys in fun, have settled down to work in earnest and now have a snappy little aggregation. Every afternoon about thirty young men of the city gather for an hour or two on the cricket field and practise the game.

On Thursday afternoon the usual turnout was on hand and the signals of the team were tried out. They have a signal code which would do credit to a Shaughnessy and the funny part of it is that they get away with it.

These boys should be encouraged and kept at the game. They have not achieved—much this year, but with a good organization behind them next fall could use what they have learned this season to advantage in turning out a creditable team. Rugby for the city lads has long been wanting and the effort of the Wolves is appreciated. Other such groups should be formed, and the ground would then be ready for the organization of a city rugby league next fall.

ARTS SOCCER MATCH.

Final Year Defeated by the Third With Close Score.

A good soccer match was played on Queen's lower campus on Thursday afternoon when the final year in Arts was defeated by the third year with the close score of 3 to 2.

Both teams worked hard for the victory but a little edge in the aggressiveness of the third year forwards won them the day. The seniors strove right valiantly to carry the ball through the opposing defense but their forward line lacked effective combination work, without which a team has very little chance in soccer.

The first half ended 2-0 for the Juniors, although the seniors disputed the goals on the ground of off-sides. The referee, however, could not see it that way and so it stood. The second half was more closely contested. Twice the seniors scored with good clean shots and the Juniors flipped the sphere through the 24-foot gap once.

E. E. Kidd handled the game in good style, taking all criticism and complaints good naturedly. Both teams voted the tussle a fine work-out and a good hour's fun.

CURLING CLUB MEETING

Napinee Express
The annual meeting of the Napinee Curling Club was held at the Club House on Friday evening last and the following officers were elected for the coming season:

President—W. A. Steacy.
Vice-President—F. C. Bogart.
Secretary—G. P. Carr.
Treasurer—C. I. Maybee.

Executive—W. A. Daly, W. C. Smith, P. C. Killorin, H. Daly, M. Taylor, J. L. Boyes, T. Blute, R. A. Leonard.

Ice Committee—W. C. Smith, P. C. Killorin, J. H. S. Derry, T. Blute.
Representatives to the Central Ontario Curling League—Messrs. C. I. Maybee, W. C. Smith.

Representatives to the Ontario Curling Association—Messrs. R. A. Leonard, G. P. Carr.

Schedule Committee—Messrs. C. I. Maybee, C. H. Lapum, H. W. Huffman. This committee has full powers to frame rules and regulations covering inter-rink games.

The selection of skips for the tandard rink, district cup rinks and inter-club games was left in the hands of the executive.

The skips for the inter-rink matches will be elected by the members of the club at a special meeting called for that purpose.

The membership list is now open and members intending to join are requested to hand in their names to G. P. Carr.

The treasurer's report showed that it cost approximately \$700 to run the Curling Club, and as the fee must be fixed to produce this income, it follows that the greater number of members the less the individual fee. As soon as the membership list is closed the annual fee will be set, and members advised accordingly.

Wins Aerial Derby.

At Kansas City, on Nov. 2nd, Lloyd Bertard of New York won the American Legion Aerial Derby race over a 140-mile triangular course. His time was 60 minutes 15 2-5 seconds.

Lieut. J. D. Givens, Fort Sill, Okla., was second; his time was 65 minutes 15 1-5 seconds.

Third and fourth places were won respectively by C. B. Wrightman, Tulsa, Okla., time 67 minutes 17 4-5 seconds, and Lieut. Wagoner, Fort Sill, time 67 minutes 55 1-5 seconds.

The prizes awarded follow: First, \$2,000 and the Kansas City Rotary Club Trophy Cup, which, to become a permanent possession, must be won twice in Legion events; second, \$1,500; third, \$750; fourth, \$500; fifth, \$250.

Mathewson Grateful.

Frederick C. Lieb, president of the Baseball Writers' Association of America, who acted as chairman of the committee having charge of the Mathewson testimonial, has received from the one-time star pitcher a letter of appreciation in response to Lieb's note forwarding a \$30,000 cheque, the first instalment of the proceeds of the testimonial.

"I have received your letter of Oct. 24th. The size of the \$30,000 cheque what you enclosed ought to frighten away from me all the 'T.B.' bugs," said "Matty," and went on to tell how much he thought of the thoughtfulness of his one-time associates on the diamond.

Spotlight Notes

Carl Mays of the Yankees, pitched only one shutout during the season and one in the world's series.

Buck Crouse denies that he fought Mike McTigue in Montreal the other night, which makes it appear that some boxer is using the Pittsburgher's name.

Gloucester fishermen already plan to build a new schooner for the international fishing boat races which will be held off Gloucester next year.

Medora, Penn. state's first string tackle, who broke his leg in the Harvard game, will be unable to walk for at least three months.

Jim Thorpe has signed "Dinger" Doane for his Cleveland Tigers. Doane started the season with Brickley's professional football team of New York.

Will Babe Ruth be "set down" for a part of next season as a penalty for his barn-storming stunt? New York fans are anxiously awaiting the answer.

Exhibition baseball games played by Texas leaguers in Mexico proved a mighty frost. The homebrew couldn't get the idea of paying real money to see a ball game.

The action of the Boston Arena management in setting aside 2,000 seats to be sold at a dollar each for their boxing shows must mean that the high cost of boxing is slipping.

The veteran Jack Miller says the St. Louis Cardinals had the best team in the National League, and that they should have won the pennant this year with 15 to 20 games to spare.

Jim Coffroth and Billy Gibson will open their new boxing club in New York Nov. 28th. These two well-known promoters will most likely give Tex Rickard a "tussle" when it comes to booking big bouts.

Having played two tie games in the last two years—10-10 in 1919 and 14-14 in 1920—both the Harvard and Princeton football warriors will be keen to win the rubber when they clash November 5th.

Joe Woodman, Sam Langford's old manager, is interested in a stable of boxers which includes four heavyweights, two middleweights, one welterweight, three lightweights, five featherweights three bantamweights, and two flyweights.

Jimpp Wilde is flyweight champion of the world.

"Tom" Elward and "Jimmy" Egan, of Toronto, have gone to Cleveland for the racing there.

Mrs. L. A. Livingston, who promises to have a powerful stable of Canadian-breds next year, has disposed of two yearlings to J. E. Smallman, of London, they being Game Scrapper, ch. c., by Kingship-Skinner, and Hasty Arrow, br. g. by Kingship-Hebe.

Harvey Boyle has taken over the engagement book of Jockey Ambrose at Pimlico.
