### Could Not Eat

Constipation is caused by a torpid condition of the liver. Dosing with salts, castor oil, etc., to move the bowels, cannot afford more than temporary relief.

If you are to rid yourself of this ailment and the scores of annoying symptoms and diseases which come in its wake, it is necessary to get the liver right by such treatment as is suggested in this letter:

Mrs. Alvin Richards, R. R. No. 1, Seely's Bay, Ont., writes:

"For two years I was afflicted with indigestion, and in the morning when I got up my breath was bad. I had a poor appetite, and just felt like eating certain foods. I used many different medicines as a laxative without benefit, and the doctor's medicine did not help me at all. Finally I tried Dr. Chase's Kidney-Liver Pills, and found them better than anything I had ever tried. I can highly recommend them to anyone troubled with constipation or kidney troubles."

## DO ALL MY HOUSE WORK

Before I took Lydia E. Pinkham's Vegetable Compound I could hardly get about.

Cobourg, Ont.—"For many years I have had trouble with my nerves and have been in a general run down condition for some time. I could not do my work half of the time because of the trouble with my monthly sickness. I was told of Lydia E. Pinkham's Vegetable Compound by friends and advised to try it. It has done me good, and I strongly recommend it. Since I have taken it I have been able to do all my own work, and I also know friends who have found it good. You can use these facts as a testimonial."—Mrs. ELLEN FLATERS, Box 761, Cobourg, Ont.

Why will women continue to suffer so long if more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound? For forty years this good old fashioned root and herb remedy, which contains no narcotics or harmful drugs, has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

If Better Gasoline Could be Made Imperial Oil Limited Would make it

## Gravity not a Real Test

A MOTOR fuel to give good mileage and complete satisfaction must contain a continuous and unbroken chain of boiling points. It must be a straight-distilled product of uniform high quality. The so-called gravity test means nothing. It is not a real measure of gasoline quality.

Imperial Premier Gasoline is a straight-distilled, all-refinery product. It burns clean. It all goes into power and mileage from the first to the last drop in your tank.

Imperial Premier Gasoline gives you everything which you have a right to expect from good gasoline. If better gasoline could be made, Imperial Oil Limited would make it.
