**ECZEMA FOR FIVE YEARS**

Eczeina or salt rheum, as it is so often called, manifests itself in little round pimples which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed and the intense burning, itching and smarting, especially at night or when the part is exposed to a strong heat, is almost unbearable and relief is gladly welcomed.

There is only one way to get relief and no remedy like.

**BURDOCK BLOOD BITTERS**

Take it internally and it gets at the seat of the disease in the blood and drives it out of the system. Apply it externally and it takes out the itching, stinging and burning, and promotes healthy healing.

Mr. J. Sage, 215 Princess Ave., Vancouver, B. C., writes:—"Having suffered with eczema on the face and head, for the last five years, I consulted several doctors, and tried various kinds of salves and lotions, but I derived no benefit from any of them. I did not know what to do until a friend advised me to try Burdock Blood Bitters, and after I had used two bottles I began to get better and now after taking eight bottles I have not even a blotch on me. I feel that I cannot praise B. B. B. too highly. I hope you will make full use of this recommendation for the benefit of those who are suffering from this terrible complaint, eczema."

B. B. B. put up only by The T. Milburn Co., Limited, Toronto, Ont.

This delightful, stimulating tonic helps thin, lifeless, faded hair to grow long, thick, heavy and luxuriant.

Louise Johnston, a colored woman, with three aliases and a prison record, was sentenced at London, Ont., to two years in the Portsmouth penitentiary for substituting a roll of paper for a roll of bills which a taxi driver, whom she had hired, had in his pocket.

Louise told the court that lobsters and mushrooms were her favorite articles of diet. It was on the return trip from a restaurant where she had purchased these delicacies that she had committed the crime, the crown proved. When she appeared for sentence, Crown Attorney J. B. McKillop, K.C., stated she had been convicted three times previously on theft charges. In 1912, while in Toronto she was sentenced to six months in Central prison. In Montreal in 1917 a court sent her to Portsmouth penitentiary for two years. In 1919 she was again sentenced in Toronto, being confined to the Andrew Mercer reformatory for women for one year. In those three places she gave the names of Mary Smith, May Smith, and Mary Jones.
