When a girl tells you that she can't sing don't try to coax her, but let it go at that. Sitting Bull was 42 years old when he massacred Custer's forces. There is something unusual with the woman who talks only when she has something to say. Theda Bara bought a home of 1,000 acres in Nova Scotia.

# DO YOU SMOKE TOO MUCH?

There are many men on whose heart and nervous system tobacco produces the most serious results. It causes palpitation, pain in the heart, irregularity of its beat, makes the hands tremble, sets the nerves on edge, causes shortness of breath, and loss of sleep.

To counteract this demoralizing influence on the heart and nerves there is no remedy so equal as MILBURN'S HEART AND NERVE PILLS.

They make the heart beat strong and steady, restore tone and vigor to the nerves, and remove all the evil results caused by the tobacco.

Mr. Frank Lutes, 71 Terrace Hill St., Brantford, Ont., writes: "I had been troubled with palpitation of the heart for a number of years, and by spells it would bother me a lot. The doctor told me it would stop on me sometimes if I did not cut out tobacco. When I would get a spell my heart would pound, and I would break out in a perspiration, and get so weak I would have to sit right down and quit my work; also in the night I would wake up and my heart would be going. I should say, about 120 beats a minute. About three years ago I got a box of Milburn's Heart and Nerve Pills, took them, and found that they did the job. I am feeling fine and have gained over 20 pounds in weight."

Price, 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

# Rheumatism Grows Worse If Neglected

It is a Uric Acid Trouble.

It makes its presence known by local aches and pains, inflamed joints and stiff muscles but cannot be permanently relieved by local applications. Its cause is constitutional and it must have constitutional treatment.

"Three doctors said I could not be cured of rheumatism but at 64 I am still alive, well and strong, thanks to the yearly use of Hood's Sarsaparilla. I am convinced there is nothing better for rheumatism." C. E. Goodrich, Bolivar, Mo.
