NIGHT COUGHS

Terribly wearing on the system is the cough that comes at night and prevents sleep.

The constant coughing keeps the lungs and bronchial tubes in such an irritated and inflamed condition that they get no chance to heal. You will find in

DR. WOOD'S NORWAY PINE SYRUP

a remedy without an equal for soothing the lungs, loosening the phlegm, strengthening the breathing organs and fortifying them against serious pulmonary disease.

Mrs. John McKerney, Lower Montague, P. E. I., writes:—"About three years ago I caught a very bad cold accompanied with a sore throat and hoarseness, and was so hoarse you could hardly hear me speak. I could get no rest at night with the terrible annoying, hacking cough. I tried several remedies, but they did me no good. Finally I saw Dr. Wood's Norway Pine Syrup advertised; got a bottle, and at once it gave me relief, and after using four my cough had all gone. Now I always keep "Dr. Wood's" in the house, and shall recommend your wonderful remedy to others."

Price 35c. and 60c. a bottle at all dealers. Put up only by The T. Millburn Co., Limited, Toronto, Ont.
