Heart Would Beat LIKE A TRIP HAMMER

Heart trouble has of late years become very prevalent. Sometimes a pain catches you in the region of the heart, now and then your heart skips beats, palpitates, throbs, or beats with such rapidity and violence you think it is going to burst.
 You have weak and dizzy spells, sinking sensations, are nervous, irritable and depressed, and if you attempt to walk upstairs or any distance you get all out of breath.
 We know of no remedy that will do so much to make the heart regain strength and vigor, regulate its beat and restore it to a healthy normal condition as will

MILBURN'S HEART AND NERVE PILLS
 Mrs. Chadwick, Delhi, Ont., writes: "I had palpitation of the heart, and the least exercise, such as going upstairs or up a hill, my heart would beat like a trip-hammer and at times I was dizzy-headed and had a sinking sensation as if my time were near."
 A friend suggested I try Milburn's Heart and Nerve Pills, so I procured three boxes, and by the time the first one was used I began to improve. In all I took six boxes, and now although in my 66th year I feel like a young girl; no dizziness or heart thumping, and can walk miles without fatigue. At time of sickness I weighed 120 lbs., now I weigh 150."
 Price, 50c. at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto.

Miss Ella Johnson Tells How Cuticura Healed Pimples
 "My trouble began as small pimples and in a few months they got worse and my forehead was just a mass of large pimples. They were hard and red and caused me to scratch, and I was disgusted for the time. They made me embarrassed when out in company. I tried sassafras tea but it was of no help. I saw Cuticura Soap and Ointment advertisement and sent for a free sample. After using them I bought more, and when I had used one case of Cuticura Soap and one box of Cuticura Ointment for about a month I was completely healed." (Signed) Miss Ella May Johnson, Box 65, Camas, Idaho, March 9, 1920.
