CATARRH OF THE STOMACH

FOR EIGHT YEARS
The cause of this trouble is the fermentation of food in the stomach which generates a gas that is very frequently belched up. There is also a rumbling of the bowels and a discharge of gas therefrom, there is constant rattling, and the meals are frequently vomited. There is a burning pain in the stomach, the appetite is sickle, the tongue coated, the breath bad, constipation is generally present and the sufferer becomes weak, nervous, depressed and exceedingly miserable.

The blame lies with a sluggish liver, as it holds back the bile which is so necessary to promote the movement of the bowels, and when the bile gets into the blood a badly disordered condition of the stomach, liver and bowels will surely follow. Keep your liver active and you will always enjoy good health.

Mrs. Agnes Gallant, Reserve Mines, N. S., writes:—"I had been a great sufferer for eight years, from catarrh of the stomach. I tried several, so-called, catarrh remedies without relief until a friend advised me to try Milburn's Laxa-Liver Pills, which I did, and four vials completely relieved me. That was six years ago, and I have had no return of my old trouble."

Price, 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

She leaves to mourn her loss, husband and infant son, Charles Gordon and three brothers, two sisters, namely: Rev. C. S. Reddick, Janetville; B. A. Reddick, Cornwall; Lorne Reddick, Napanee; Mrs. W. S. Morey, Belleville; and Mrs. J. H. Corniel, Brighton.

Crowded to Capacity.
Evidence of the popularity of the "Winnipeg Kiddies" was produced when the Grand was crowded to capacity for the final performance on Tuesday night. This company, with their numerous and original skits, have taken the country by storm, probably because they are such a change from the usual type of show. The show is "chuck full" of laughs, and with the delightful music, the rich and pretty costumes and scenes, and the clever dancing, one experiences the same pleasure as at a first-class revue. It was a case of one thing after another with something doing every minute. By this last visit to Kingston, the "Kiddies" have gained a host of new friends.

Burglary and Theft.
Four Trenton youths of an average age of twenty years, conspired and broke into the Grand Trunk station, ransacking the place and trying the safe, but without success.

Later on Monday morning they broke into the flour and feed store of John M. Hennessey, stealing from the safe \$350. They took about twenty minutes to get the safe open. The following are under arrest, Edgar Wilson, Albert Kellog, Edward Richmond and Jack Dixon.

Richmond knew the combination, having worked in the store about two years previous. The police deserve credit in rounding them up, capturing them while they were yet in bed. \$296 was recovered. The money was divided as follows, Wilson got \$137 and the other three \$71 each.

YOUNG WOMEN AVOID PAIN

This One Tells How She Was Benefited by Taking Lydia E. Pinkham's Vegetable Compound.

Regina, Sask.—"For two years I suffered from periodic pains and nausea so I was unable to get around. My mother had me take Lydia E. Pinkham's Vegetable Compound, and I am much better and able to go about all the time, which I could not do before. I recommend Vegetable Compound to my friends if I know they suffer the same way, and you may publish my letter if it will help any one, as I hope it will."—Miss Z. G. BLACKWELL, 2073 Oaler Place, Regina, Sask.

If every girl who suffers as Miss Blackwell did, or from irregularities, painful periods, backache, headache, dragging down pains, inflammation or ulceration, would only give this famous root and herb remedy a trial they would soon find relief from such suffering.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. For all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of your own experience is at your service.
