DO YOU SMOKE TOO MUCH?

There are many men on whose heart and nervous system tobacco produces the most serious results. It causes palpitation, pain in the heart, irregularity of its beat, makes the hands tremble, sets the nerves on edge, causes shortness of breath, and loss of sleep.

HEART AND NERVE PILLS They make the heart beat strong and steady, restore tone and vigor to the nerves, and remove all the evil results caused by the tobacco.

HEART AND NERVE PILLS Mr. Frank Lutes, 71 Terrace Hill, St. Brantford, Ont., writes: "I had been troubled with palpitation of the heart for a number of years, and by spells it would bother me a lot. The doctor told me it would stop on me sometime if I did not cut out tobacco. When I would get a spell my heart would pound, and I would break out in a perspiration, and get so weak I would have to sit right down and quit my work; also in the night I would wake up and my heart would be going, I should say, about 120 beats a minute. About three years ago, I got a box of Milburn's Heart and Nerve Pills, took them, and found that they did the job. I am feeling fine and have gained over 20 pounds in weight."

Price, 50c. a box at all dealers, or mailed direct or receipt of price by the T. Milburn Co., Limited, Toronto, Ont.

Sale of Property. The old Captain Visger docks, coal Painful Sores On Her Ankle Healed by Hood Preparations. For two years I suffered greatly from blue veins on my leg. They started with a little sore that grew worse, larger, more painful till it extended around my whole ankle. I decided to take Hood's Sarsaparilla to purify my blood, with Hood's Medical Soap to wash the sore, and Hood's Olive Ointment to heal it. It was soon apparent I was on the right course, for as the result of faithfully taking the Sarsaparilla, the sore diminished and finally disappeared. I heartily recommend these remedies to all suffering from similar troubles. Mrs. John Peterson, Detroit Harbor, Wis.

LESS MEAT IF BACK AND KIDNEYS HURT Take a Glass of Salts to Flush Kidneys if Bladder Bothers You. Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

Was in the Mix-Up. John Taylor, reeve of the township of Storvick, who recently had his left arm amputated, due to an attack of blood poisoning, got in the mix-up at the noisy nomination meeting at Harrowsmith on Tuesday afternoon. Mr. Taylor, when speaking to the Whig, stated that it was the worst mix-up he had been in in about forty or fifty years.

The Action Was Settled. The action of Denyes vs. Brennan and the Ocean Accident Co. at Belleville, Ontario, arose out of the case of a motor that was burned in an accident in Tyndinaga. Dr. Denyes, Shannonville, was driving a car which he had paid for. On the car was fire insurance, the policy containing a clause that loss, if any, was to be payable to Brennan, he having at one time been the owner. The cheque, after the fire, came payable to Denyes and Brennan, and Brennan would not endorse it, saying it was alleged that he had an insurable interest. The action was settled.

Painting Cost of Arms. A recent visitor to the Royal Military College was Capt. C. Q. Shaw, R.C.A., Quebec city, who has spent the last few days at the college across the bay preparing a painting of the new Canadian coat-of-arms, which was recently authorized by His Majesty the King. As Capt. Shaw has obtained leave for two months, which he intends to spend in England, a change in the calling date of his boat obliged him to leave the completion of this painting until his return to the college. It is also his intention to carry on with the painting of the panels of the Sir Arthur Currie Hall with the crests, battlepatches and numbers of the Canadian overseas units, in co-operation with Major Stuart Forbes.

Great Record of James Murphy. A very pleasant evening was spent on Nov. 14th at Ford Moulton's, Jones' Falls, when friends and neighbors gathered together to do honor to Mr. and Mrs. James Murphy. For twenty-three years Mr. Murphy has been a laborer on the Jones' Falls locks. During that time he has been unsurpassed in faithful attendance and good work. Mr. Murphy made the wonderful record of being absent

from duty only three days in that long period of time. As Mr. Murphy will not be returning to Jones' Falls the following year his fellow lockmen and neighbors wished to show him and Mrs. Murphy how much they regretted their leaving this vicinity. The evening was spent with music, cards and social intercourse. After refreshments were served William Glover read an address to Mr. and Mrs. Murphy testifying to the very high regard they are both held, and Charles Dawson presented Mr. Murphy with a handsome rocking chair from other members of the lock and Miss Mary Glover presented Mrs. Murphy with another beautiful rocker from the lockmen's wives and neighbors.

Anaemia Thin, watery blood is no more nourishing than thin, watery milk—skim milk. But you can soon enrich thin blood, overcome the anaemic condition and build up the whole system by using Dr. Chase's Nerve Food.

Mrs. F. G. Simmons, 42 Curtis St., Brantford, Ont., writes: "For about eight years I suffered from anaemia. My circulation was poor, my nose and feet were pale, and my hands and feet were always cold. I was nervous and unable to sleep. I had frequent headaches, seemed restless and easily worried or irritated. There was a buzzing sound in my ears. Indigestion was also one of my complaints, and I often was attacked by weak spells. I went to a doctor, who said me I was anaemic, but as I did not get any better I decided to try Dr. Chase's Nerve Food, and after the first box I felt lighter and my headaches completely disappeared. I continued using the Nerve Food for quite a while. I am quite well now, and cheerfully and gratefully recommend Dr. Chase's Nerve Food to people suffering as I did before I used this splendid medicine."
