In the World of Sport

LITTLE BITS.

Glen Sullivan, who refereed the second game of the Argonaut-Pittsburg series at Pittsburg recently, claims that the correct score for that game was a 4-4 tie. The Pittsburg officials disputed the last goal, but Referee Sullivan ruled otherwise.

Mike O'Dowd, St. Paul, middleweight, has been matched with Mike Gibbons for a ten-round no-decision bout in the Twin City, December 16th.

Toronto players make the statement that Ed. Onslow will be the Leafs' 1922 manager, while it looks like "Wild Bill" Donovan for Reading.

Roy Moore, the St. Paul bantam announces he is willing to give Jack Sharkey a return match. Moore beat the New Yorker last winter.

Vincent Pepper Martin, Brooklyn featherweight, has been matched to meet Harvey Bright, another Brooklyn scrapper, on the same card with Tendler and Friedman.

Johnny Reisler, who knocked out Mike Arra last week, will do battle with Soldier Seaman for twelve rounds at New York next Monday. Seaman is a former amateur boxer.

Earl France, the Pacific coast lightweight, will make his first appearance in New York, Saturday night, when he meets Italian Jack Dempsey, of Brooklyn, for twelve rounds at the Ridgewood Grove Sporting club.

The Commonwealth Sporting club, of New York, is making efforts to match George Lavigne, the San Francisco lightweight, and Johnny Dundee, for the junior title. Lavigne beat Bobby Lyons recently, and made quite an impression.

Gallinger, so Glenn Sullivan said on his return from Pittsburg yesterday, turned in two of the finest exhibitions of goaltending ever seen in Pittsburg or any other place, and goal is one position the senior Argos do not want to have to worry about. Gallinger has more than made good.

Millan, who played centre for St. Michael's last night, is a brother of Rube and Terry Millan, of Kingston, and he gives promise of developing into a smart hockey player.

Charlie Langlois is said to be on his way to Hamilton to play for the Tigers. If Dandurand gets wind of this he will break off diplomatic relations with Thompson.

Leo Dandurand states that the few dollars he offered Bouchard was \$80 a week and a bonus of \$100 if he made good. "Bouchard has a very ordinary position," says Dandurand, "and if money is any object, as it must be from the way he talks about the offer I made him, he would have accepted unless he is getting more to remain amateur."

The Canadiens have offered \$200 to any regular player who will bring a new man that will make good. Sprague Cleghorn is after Billy Boucher as his nominee. Vesina will likely bring out four or five of his children.

W. R. Granger says the Bouchard case will likely lead to the unmasking of other amateurs.

George Carey is a holdout from Tigers. This deft little player should be a bear under the penalty rules as he is seldom ruled off.

St. Pats are well fortified for the next position with Vernon Forbes and Roach in line. It is stated that they are after other amateur stars and will have a couple signed before the season gets under way.

Pittsburg went down to defeat before the Toronto Argonauts by a score of four goals to two. Clarence Gallinger of Cornwall was in the Double Blue nets, and "Dinny" Manners, Terry McGovern and Dink Madden of Ottawa were on the American line up. Larry and Joe McCormick both played, the latter tallying the first goal of the home team's goals.

The rubber hounds in Timmins have been loosed and the gold camp will have one of the shiftest teams on record in line when the season opens.

Leth Graham is going well in Regina and his work is being highly commented on. Moran and Borland, two Brandon boys, reported to the same club but decided not to stay.

Let the hockey referees brace up. Judge Landis has whitewashed a baseball umpire who took the law in his own hands and thrashed a spectator who assaulted him.

George Vesina will have to play mighty well to keep in the limelight now that it has been discovered that Edward Bouchard also comes from Chicoutimi.

The prospects are for a record entry in the O.H.A. this season, in the

neighborhood of 150 teams, exclusive of affiliated organizations, which have many teams themselves.

Sammy Lichtenheim, former president of the Montreal ball club, does not want to get mixed up in professional baseball again, if he can help it. "I am a plucked pigeon as far as baseball is concerned. Never again," said Lichtenheim.

Battling Siki, the Singapore, out-pointed Paul Journee, but could not knock him out. Evidently Battling Siki lacks a kick. The Singapore couldn't make Journee hear the birdies sing—or couldn't even cut short Journee's journey, as it were.

"Minor" Comes High. Charles O'Connell of the San Francisco club in the Pacific Coast was bought by Manager J. J. McGraw of the New York Giants. It was announced here today. The price paid for the outfielder was \$75,000, said to be the highest figure ever given for a player taken from minor league company.

O'Connell will play with the San Francisco team next season, joining the Giants in 1923.

Gratifying. Heine Groh, who is at Havana playing exhibition baseball when told that he had been traded to the New York National League ball club for Outfielder George Burns and Catcher Mike Gonzales said:

"The news is as gratifying as it is surprising. I'm certainly anxious for the season to open, and you can be sure I'll do my best."

Gonzales, whose home is here, said: "I'll do my share to win a pennant for the Reds."

If a wife insists on learning to smoke, her husband should give her the first lesson on one of his old pipes. She'll never care for the second lesson.

Jealousy must be inborn with women. There's no other way of explaining why some of them get jealous over the husbands they have.

Money talks, but we also have noticed that the lack of it will cause the neighbors to talk.

IN CHICAGO.

Zbyszko Will Meet Piestina There, Only.

Jack Herman, manager of Zbyszko, says he is willing to have the big son of Poland meet Martin Piestina, who challenged the winner at Madison Square Garden, New York, on Monday night. He will permit Zbyszko to wrestle Piestina only in Chicago, Herman's home city.

Piestina would have no objection to this condition, as he is willing to meet Zbyszko anywhere. But Herman further stipulates that the rules must be as he specifies and that all the money of the bout must go to Zbyszko, whether he won or lost the match.

In other words, it must be a Herman match or Piestina can't play with Zbyszko in a ring. Tex Rickard has declared that he stands ready to stage a match at Madison Square Garden between Zbyszko and Piestina, and is willing to bid more money for such a match than any other place.

But in spite of the fact that Zibby won his alleged title here, the diamond-studded belt and a big wad of money, Herman says he will not allow him to wrestle in New York any more because of the foolish rules the recently insisted should govern wrestling bouts.

When Your Choice Is His Choice!

WHEN your choice is his choice, the pleasure of giving and receiving is doubly enhanced.

Sometimes one of the difficulties of Christmas shopping is to know just what the recipient would like. When you are thinking of giving that most useful of all gifts to men—a safety razor—you can make no mistake when you select a Valet AutoStrop for that is the choice of men themselves.

They know that no razor can give a clean, comfortable shave unless its edge has been stropped. So they choose the Valet AutoStrop Razor because it strops its own blades, on a straight leather strop (without any "extra" attachments), and provides a fresh, keen edge for every day in the year. It saves constant blade-expense, and saves time and trouble—for it strops, shaves and cleans without removing the blade.

See the complete line at your Dealer's—Razor, Strop and 12 Blades in an assortment of cases \$5.00. Fancy Sets up to \$16.50.
