WAS TROUBLED WITH HER STOMACH FOR FIVE YEARS

Mrs. Samuel Ward, Millersdale, Sask., writes:—"I feel that I must write to you before another day passes I am so happy and so grateful to your splendid medicine, Burdock Blood Bitters, for after an illness of five years I am better."
I had stomach trouble so bad, I could not bear the smell or taste of food of any kind, and got so thin and weak I could not work. I had four doctors attend me, but they did me no good. I was in no pain, but felt so ill, at times I thought I would die, in fact, all my friends were sure I could not live many weeks.
This time last year I saw where a man was relieved of stomach trouble by Burdock Blood Bitters, so my husband got the two bottles, but I had no faith in it after all the different medicines I had taken, however, he insisted, and after the first two days I must say I began to feel better, and after the first bottle I felt so much better I went out a little every day, but could not go alone I was so weak, but I soon got so I could walk and eat, and I have not quite stout.
I am nearly seventy years of age and I feel better than I have for years and can now do all my housework.
You may make use of this letter if you wish, as it may be the means of making others as well and as happy as I am."

resigned the principalship of Picton
College Institute, after ten years'

pointed by Hon. Dr. R. H. Grant,
minister of education, to the position

Death Following Accident.
The death is recorded in Toronto
of David Cunningham, a son of the
late William Cunningham, who lived
about one mile from Picton on the
road leading to Bloomfield. He met
with an accident a few weeks ago
which resulted in his death on Dec.
1st inst. in the seventy-ninth year of
his age. His wife who was Violet
Rowe, survives.

He Is Improving.
A correspondent in Kamloops
Presbytery writes that Rev. W. W.
Peck, who has been doing arduous
and useful work in far stretching
mission field of the North Thompson,
has suffered a rather serious break-
down. At the time of writing Mr.
Peck, after a slow recovery of some
weeks, was almost ready for work
again. Mr. Peck is a brother of Mrs.
S. F. Campbell, Albert street.

Strength
Strength of muscle does not in-
dicate strength of nerves. On this
account many people who look
healthy enough suffer from nervous
troubles and cannot understand
what is ailing them. Sleeplessness
and irritability are among the early
symptoms. Indigestion and tired
feelings soon follow.
Read this letter from an On-
tario man:
Mr. W. L. Gregory, Charles
St. E., Ingersoll, Ont., writes:
"I had been troubled for quite a
while with indigestion. At times there
would be a twitching of the nerves of
my stomach; and I also found it diffi-
cult to get a good night's sleep. I am
a moulder, and owing to the nature of
my work my system became run-down.
I took a treatment of Dr. Chase's Nerve
Food, and found great benefit from this
medicine. They did me a great deal
of good. I have not been bothered at all
with indigestion since, and can sleep
much better. I have recommended Dr.
Chase's Nerve Food to many of my
friends, as I think it splendid for any-
one run-down and needing a tonic."

commercial rate is increased one cent
also. The niggardly use of
electricity by some consumers is
stated to be one reason in neces-
sitating a higher rate.

Bishop Worrell For Bermuda.
The rumor that Archbishop Wor-
rell is going to accept the Bishopric
of the Bermudas is again revived,
though thrice denied, by the pub-
lished statement that he leaves for the
islands on January 1st and that he
will be away three months. It is
stated that he goes to organize an
Anglican diocese in Bermuda.

Pembroke's New Chief.
The Pembroke council has ap-
pointed a new chief of police, in the
person of Daniel MacLachlan, Tor-
onto. He will report for duty on
December 26th. The new chief is a
man of fine physique, standing six
feet two inches in height and weigh-
ing 225 pounds. His forty years of
age and married, and saw service in
the great war.

dent, W. H. Blakely; second vice

er, C. F. Vanhorn; secretary, Dr.
Rose.

At a meeting of the Perth Board of
Education D. A. Ainsworth, organist
of St. Andrew's church, received the
appointment of teacher of music in
the Perth public school at an annual
salary of \$450. The music committee
presented a majority and minority
report the latter recommending the
appointment of Albert Hazel to the
position.

Half Holidays.

served by the letter carriers and post

days, only the morning delivery will

Changed to Eganville.
Rev. D. J. Harrington, Chapeau,
replaces Rev. Father Ryan at Egan-
ville and will assume his duties in a
week or two. The announcement of
this appointment will be gladly re-
ceived by the parishioners of St.
James' church. Father Harrington
attended the separate school at
Eganville and although a native of
Kilbuck, he has considered Eganville
his second home. Rev. Father Zepfel
will fill the Chapeau vacancy.

Mrs. Newman Sells Store.
The novelty store conducted by
Mrs. R. S. S. Newman in Broadway,
Cape Vincent, N.Y., has been sold to
Mr. Pinmore. Mrs. Newman has con-
ducted a store in the village for the
last forty years. It was first opened
in the Algonquin hotel, which burned
down many years ago. The store was
known as Newman's Bazaar. Mrs.
Newman will make her home
in Watertown, residing with her
sons, Frederick and John Newman.

Held Annual Meeting.
The Hyland Cheese and Butter
Co., Ameliasburg, held its annual
meeting in the A.O.U.W. hall on
Tuesday. Herb Dempsey presen-
ed the auditors' report showing a very
prosperous season for the factory.
The following officers were appoint-
ed for the coming year: President,
William Reddick; secretary-treasur-
er, F. C. Fife; salesman, D. Young;
auditor, Herb Dempsey, cheesemaker,
Will Masters.

Celebrated the Event.
Dr. Fife and wife, Ameliasburg,
celebrated their fifty-second wedding
anniversary on Nov. 30th. The nine
children and grandchildren were
present with the exception of mem-
bers of the clan from Toronto and
Oshawa. After a sumptuous dinner
the evening was spent in dancing and
various games. The gay assemblage
broke up at a late hour, wishing the
bride and groom many happy returns
of the day.

Both Are Queen's Men.
Dr. M. McKay, M.P. for North
Renfrew, is a Queen's graduate, win-
ning the Prince of Wales scholarship
for general efficiency, as well as the
gold medal for literature. He was an
athlete of note, being a member of
Queen's football team for four years,
and winning nearly every year the
running and jumping championships.
He was for one year president of
Queen's Alma Mater Society. His
son, Dr. Wallace McKay, is a Queen's
graduate.

New Member for Grenville.
A. C. Casselman is receiving the
congratulations of Prescott friends
upon having been elected to repre-
sent Grenville in parliament. Mr.
Casselman is one of Prescott's most
successful lawyers and is the son of
W. J. Casselman, Morrisburg, Ont.
He was born in the township of Wil-
liamsburg in 1891. He is secretary of
the Prescott board of trade and
recently was appointed secretary of
the school board. He also has the
honor of having served overseas for
two years and a half with the 10th
Canadian battery. He has been a
resident of Prescott since 1915.

Holding Investigation.
The case of Guard G. O. Aiken,
under suspension at the Portsmouth
penitentiary, is now under investiga-

tion at the institution by Superintendent
of Penitentiaries W. S. Hughes
who reached the city Tuesday accom-
panied by two stenographers, Messrs.
Lewis and Roy. The matter under
consideration, it is stated, is the dis-
posal of certain prison property
without proper authority. Guard
Aiken has been under suspension for
some months.

Ploughing Completed.
Although the recent cold snap has
frozen the ground in the surround-
ing district, most of the ploughing
and other fall work was already fin-
ished, so the frosty weather will not
be any serious handicap to the farm-
ers. This has been an exception-
ally late fall, and many odd jobs
around the farm, as an accumulation
from other years, have been cleared up,
the mild weather is liked just as
well by the farmers as anyone else
but they are still hoping for a good
blanket of snow to protect their mea-
dows and next year's crops.

A Veteran Minister.
Rev. W. T. Wilkins, Trenton, who
has retired as clerk of the Kingston
presbytery after thirty years' service
has been in the ministry for fifty-five
years. For thirty years he was pas-
tor of St. Andrew's church at Trenton.
He was born at St. John, N.B., on
July 15th, 1843, and graduated from
the University of New Brunswick in
1863. He studied theology at Queen's
University, and at Princeton, N.J.,
and was ordained in 1866. For sev-
eral years he was pastor of St. Paul's
church, Truro, N.S., and afterwards
of St. Andrew's church, Stratford,
prior to his appointment at Trenton.

Not Sufficiently Stamped.
The postoffice department advises
that a large number of letters ad-
dressed to Great Britain and other
places in the empire are being mail-
ed prepaid at the old rate of post-
age. The new rate of postage on
letters to the United Kingdom and
other places within the empire is 4
cents for the first ounce and 3 cents
for each additional ounce or fraction
thereof.

Such letters when insufficiently
prepaid are sent forward surcharged
double the deficient postage, and in
order to avoid this it is suggested
that care be taken to prepay prop-
erly the postage.

Find Life More Pleasant.
Now that the turmoil and the
strife of the election has subsided,
with the resulting excitement follow-
ing in its train, the "hullo" girls in
the local telephone exchange are
finding life a wee bit more pleasant,
though perhaps more monotonous,
and are gradually getting custom-
ed once more to answering only for-
ty calls to the minute, after taking
care of something like twice that
number during each of those strenu-
ous hours of election night and the
morning after. They assert that af-
ter that experience they can stand
most anything.

tents of it."
