

CITY'S MILK SUPPLY GOOD

The Board of Health Is Very Much Gratified Over This Condition.

Much satisfaction was expressed by the members of the Board of Health at their final meeting of the year Friday afternoon over the excellent condition of the city's milk supply.

The sanitary inspector, W. H. Carson, reported on the work he had done during the year. There were places which could not install sanitary improvements because their houses were not drained.

A SPLENDID CANTATA.

"The Pixies of Portsmouth Town" at St. John's Hall.

"The Pixies of Portsmouth Town" a cantata, was beautifully rendered by the young people of St. John's church, Portsmouth, in the parish hall on Friday evening under the able direction of Mrs. Lacey assisted by the Sunday school teachers.

Rev. Mr. Hilyard Smith, rector, presided and there was a large and appreciative audience. The programme was opened with a selection by the orchestra composed of Messrs. Kerr, Hartwick, McGuire and Lacey.

"The Pixies" is a Christmas story elaborately presented and the choruses, Sleighing Song, Dream Song, Marching Song and Pixies Chorus were all beautifully sung.

The delightful performance was brought to a close with the chorus "Christmas Has Come and Gone." It was a complete success in every way.
