Letters To Santa Claus

157 Alfred Street.
Dear Santa.—I try to be a good boy will you bring me some toys? I want a ship and a train.
David Hall,
Seven years old.

Victoria School,
Nov. 29th, 1921.

Dear Santa.—I think you are a jolly old fellow. I like you because you are always happy. I think you live in a very cold region where there are lots of icebergs and there are lots of Eskimos. Is it very cold fishing up there? I think you are very good natured. Will you please bring me a pair of skates, a fountain pen, a snow shovel, a season ticket, a rugby ball, and baseball bat? I guess that will be enough. I will be a very good boy if you will give me most of the toys. I should also like a lot of different kinds of stamps.
Jack Barrett, 191 Stuart street,
age 8 years.

Kingston, Ont., Dec. 1.

Dear Old Santa Claus.— am a wee boy and would like you not to forget me this Christmas. I am six years old and have also a little brother, three, who would like you not to forget him either. We are not asking for very much, but we would like these little things if you can bring them to us. A big horse that stands of wheels, a big drum, a horn, a rattle, a celluloid doll. Hoping this is not asking too much from you, and will leave some for some other little boy who has no daddy.
I will say good bye until Christmas.
Dick Irwin.

212 Rideau street.

Portsmouth, Ont.

Dear Santa—As Christmas is drawing near, I wish to remind you of how much we all think of you. You are the dearest friend the children have on earth.

You are always giving boys and girls pleasant surprises. I will expect to hear from you this Christmas. So later on I will let you know what I require, to make me one of your happy boys. I thank you for past favors, and I hope, dear Santa, you will bring me what I want this year.

Since you have come in furs and have reindeer to draw your sled, I believe you have come from the far north.

Seeing that there are so many little boys and girls in the world besides myself, and you have so far to come, I do not wish to ask you for too much. I would be pleased if you would bring me; a good story book, a pair of hockey skates and boots, a game of checkers, a meccano set and a flash-light.

Wishing you every success for the coming year and hoping you will be as generous to the other boys and girls, I will close my letter.

One of your happy boys.
Bert Beaupre.

Portsmouth, Ont.

Dear Santa Claus.—I have always believed that you live in the cold northern country where there is a abundance of snow and ice.

I like you very much dear Santa because you are always so kind and good to all the children at the happy Christmas time.

By the stories I have read about you, Santa, you are a fat, little, jolly man with long gray whiskers.

I would like for my presents this year; a pair of hockey boots, and skates, also a good warm sweater. I will not ask much more as you have a great number of children to visit on Christmas eve.

Give my love to dear Mrs. Santa Claus.

Yours sincerely,
Willie Lawless.
Age fourteen.

265 University Ave.

Dear Santa.—I think you live away off at the cold North Pole. I think you are kind to everybody. I like you because you bring me nice toys. I think you are very nice indeed, because you like me. I want a little train and a tunnel and a little station.

Yours truly,
Billy Simmons.

32 Lower Union Street.

Dear Santa.—Some of these fine mornings we shall come down stairs and see what you have left us. I read your letter about going to Moore's toy shop and I will be there to see you.

From what I learn from other children about you I think you must be a dear Santa, and if possible I will keep awake Christmas eve and try to catch a glimpse of you and your reindeer.

As for me I hope you shall bring me what I ask for. I am getting big and don't need any little things, such as games, but would like a sweater and a pair of gloves, a scarf and a few books to read and I think that will be enough as I hear you have got other places to go and you must get tired for you have a lot of places to go. I will wait for you Christmas eve and will be a good boy until you come.

Your loving friend,
Edward Fitzgerald,
Aged 14 years.
