The Story of Carol Kennicott By SINCLAIR LEWIS

The supplementary reading in sociology led her to a book on village improvement—tree-planting, town pageants, girls' clubs. It had pictures of green and garden-walls in France, New England, Pennsylvania.

Though she was Minnesota born, Carol was not an intimate of the prairie villages. Her father, the smiling and shabby, the learned and boasting, the stern and sternly just, the kindly and kindly just.

As she climbed along the banks of the dark river Carol listened to its fables about the wide land of yellow waters and bleached buffalo bones to the west; the southern levees and singing dikes and palm trees toward which it was forever mysteriously gliding.

everything in the world! Maybe I can't sing or write, but I know I can't sing or write, but I know I can be an influence in library work. Just suppose I encouraged some boy and he became a great artist! I will! I will do it!

Chicago inventors have patented an L-shaped private garage to hold two automobiles, either of which can use a single door that extends across the angle.

HEADS THAT ACHE AND PAIN It is hard to drag along with a head that aches and pains all the time. In nine cases out of ten, persistent headaches are due to poisoned blood.

The house of the president had been massed with palms suggestive of political undertakings, and in the library a ten-foot room with a globe and the portraits of Whittier and Martha Washington, the student orchestra was playing "Carmen" and "Madame Butterfly".

Carol did not hear him. She was completing the roof of a half-timbered town hall. She had found one man in the prairie village who did not appreciate her picture of winding streets and avenues, but she had assembled the town council and dramatically defeated him.
