OPTICAL SERVICE

means more than the mere supplying and fitting of Glasses. Not the least important is the examination, which determines the success or failure of an attempt to make your eyes more useful. In order that your glasses fulfil all the requirements expected of them, the examination of your eyes must be accomplished by an experienced optometrist. My increasing clientele is sufficient evidence of the ability with which examinations are made.

If you need Glasses I shall be glad to make an appointment any time at your convenience.

MORE CHRISTMAS EVENTS

Santa Claus at Chalmers Church Sunday School on Wednesday Evening.

Santa Claus made a return trip to Kingston on Wednesday night for the purpose of officiating at the Christmas entertainment for the scholars of Chalmers Sunday school. This event was held in the school room, and it was a jolly affair. The scholars attended in large numbers, and had the time of their lives. The older folk also turned out in goodly numbers, and showed their interest in the welfare of the scholars.

Supper was the first item on the extensive programme. The ladies of the congregation provided a splendid spread at 6 o'clock, and it is needless to say that all the scholars did ample justice to the many good things provided. All came with a good appetite.

Following the supper, the children played games and it was a fine sight to see the youngsters enjoy themselves. Following this part of the programme, the pastor, Rev. Dr. R. J. Wilson showed a number of very interesting lantern slides, and they were greatly appreciated.

Following the lantern show, Prof. John Matheson took the chair and introduced an excellent programme, in which the scholars of the Sunday school took part. Each number provided a fine treat and all taking part are deserving of much praise. The programme consisted of the following numbers: Chorus, piano solo, bell drill, Christmas lullaby, boy's speech on boy's rights; piano duet, song by the beginners' class, "Snow Fairies", piano solo; Mother Goose performance; recitation; chorus, "Little Stars."

After the programme had been concluded Santa Claus made his appearance and the children were in great glee. "Here comes Santa," piped a little girl and immediately there was great excitement, for as if by magic, Old Kris Kringle appeared among the children, and was soon busy distributing bags containing candy and oranges off the tree, which was very prettily decorated. Santa made the trip with his reindeers, and the jingle of his sleigh bells could be heard as he drew up to the church. After making his distribution, Santa Claus shook hands with all the children and then announced that he would have to leave, as he had to make Winnipeg in half an hour, and was in Kansas before midnight. So with the best wishes of all, the jolly old fellow continued his journey, but before he got on his way, many of the children took the opportunity of thanking him for the nice presents he had given them on Christmas day.

At Sydenham Street Church.

The annual Christmas entertainment of the Primary and Beginners department of the bible school of Sydenham street Methodist church was held, on Wednesday afternoon.

The children were out in full force and spent the time in playing games and hearing a few recitations. A large Christmas tree was erected and all the children received a basket of candy.

Case Against Bryant Was Further Enlarged

Accused Remanded For a Week in Thursday's Court.

The case of Fred Bryant, charged with burglary, was to have been resumed at Thursday's session of the police court, but owing to the fact that Crown Attorney J. L. Whiting is out of the city, the case was further enlarged for a week. A large number of spectators gathered at the police station half an hour before the time for the opening of the court, and they appeared to be very much disappointed over the fact that the trial was not going to proceed.

Bryant was brought down from the jail, and when the case was called, Magistrate Farrell remanded the accused for another week.

PANKHURST-MAYREE NUPTIALS

Marriage Took Place at the Anglican Rectory at Oshawa.

At the Anglican Rectory at Oshawa, on Monday, at 3.30 a.m., by Rev. C. R. DePencler, the marriage was solemnized of Miss Dora Mayree, second daughter of Mr. and Mrs. Maybee, Bloomfield, to Edward H. Pankhurst, only son of Mr. and Mrs. Samuel Pankhurst, Wilkinson avenue, Oshawa.

The bride, who was given away by her uncle, C. J. Shultze, looked charming in a suit of navy blue knife pleated georgette, over blue silk, fringe trimmed, with broadcud hat to match. The bridesmaid, Miss Winnie Piuttor, was very prettily attired in a suit of royal blue canton crepe with hat to match. The groom was assisted by Dubrey Cooper.

The groom's gift to the bride was a three-piece carrying set, to the bridesmaid, a silver fruit spoon; and to the groom, a set of gold cuff links. After a breakfast, served at the home of Mr. and Mrs. C. F. Shultze, uncle and aunt of the bride, the happy couple left amid showers of confetti for points east. On their return, they will reside in Oshawa.

Numerous and costly gifts were received, showing the high esteem in which both bride and groom are held.
