TO USE MANY MEN TO CUT UP ICE. The Kingston Ice Company Will Get Down to Work Next Week.

On Thursday afternoon, Harry Small, manager of the Kingston Ice Company, announced that the company would commence to cut ice the first of next week. He stated that three gangs of twenty-one men each would be employed in the harvesting of the ice. It is stated that the ice is now ten inches thick and it is the very best quality. It will require six weeks to gather enough ice to meet the demands of the citizens of Kingston. The company is commencing three weeks earlier than last year. The cutting will mean a great thing for the working men of Kingston who, at the present time, are out of work.

Working Full Blast. Gannaque, Jan. 19.-Both the spring manufacturing plants here of the Ontario Steel Products Company Ltd., are being operated to their full capacity to fill orders. The company from here to its Ottawa branch, which is to be opened again.
