Young Irishmen Victors.

The Young Irishmen romped through to a clean-out victory of 5-0 over Portsmouth in the senior series of the city league on Thursday evening, the game being played at St. Mary's rink. The play was never very spectacular, due to the small rink and neither side could get away for much open work, as there was always someone, of either side, in Alfred Kenny, an employee of the the way. Some good stick-handling was dished up by both sides, but the Irishmen clearly had the most of the play. The winners have a team which are the favorites for the city championship, unless something goes wrong out of the "ken" of the fans. Logan in goal and Millan, and B. Angrove on the offensive end are combination which will take considerable beating. The teams;
