Letters to the Editor

The R.C.H.A. Band.
Kingston, Jan. 30.—(To the Editor): Mr. Harvey's letter calling attention to the fact that Kingston possesses a fine band which its citizens hear all too rarely is a timely reminder. May I say that arrangements have been made between the R.C.H.A. and Queen's University to give a Symphony Orchestra concert in Grant Hall in the third week of March? I believe that a most attractive programme is being planned, which will no doubt be announced by the regimental authorities in due time. It is to be hoped that this will merely be the beginning of long and close co-operation between the university and the splendid band that Captain Light has trained.

The University has also arranged, in addition to its own concerts, to give its hospitality to musicians of distinction whom it invites to give special concerts. The first of these will be announced at Miss Hess's recital on Monday.

Yours faithfully,
—A. S. FERGUSON.

Curling For To-day.

S. R. Bailey and F. Waugh will skip the Kingston rinks which will play the Detroit teams this afternoon; J. F. Macdonald and M. P. Reid will be the night skips.

Three junior rinks from Belleville will meet the Kingston rinks skipped by J. Matheson, E. C. Girdersleeve and T. Copley in the Central Ontario Curling league series, here tonight.

Saturday was a busy time at the local curling rink. A number of games were played in the club series. The rink skipped by R. N. F. McFarlane won from George Lawes in the Whig series. Mr. McFarlane's rink is now leading having won five games. The trophy is awarded to the team winning the largest number of games during the season.

J. McRae's team won from E. Green, 15 to 11; A. W. McMahon, 16, A. E. Treadgold, 13; A. Turcott, 15, J. Rigney, 8.

In the doubles: H. Cooke, T. Slater, 8; J. Chatterton, A. E. Treadgold, 6.

Verona to Protest.

On Monday morning the management of the Verona hockey team, which was defeated by Sydenham on Saturday, by a score 11 to 7, informed the Whig that it was the intention to enter a protest. The protest would be forwarded to executive committee on Monday at the latest. When asked for the reason of the protest, Mr. Asselstine, the assistant manager, stated that the Sydenham team had violated the rules of the league by allowing A. Lee to take part in the game. The Verona team states that a meeting of the executive of the county hockey league held on Saturday, January 21st, a resolution was passed forbidding Lee to take part in any county league games as he had played for the Frontenac intermediates.

It is understood that when the protest is heard by the county hockey executive, Sydenham will bring counter charges against Verona. It is rumored that the Sydenham team claims that one of the Verona players took part in a city hockey league game during the present winter, which if proven will disqualify him to play in the county hockey league games.

Miss Hess in Grant Hall.

Miss Hess is to make her first appearance in Canada to-night. We quote from the London Daily Telegraph criticism of her last concert in England: "Among living British pianists very few stand as high in public favor as does Myra Hess. Miss Hess owes her proud position to her very profound and intimate favors. Her playing is essentially pianistic. In her Bach-Bethoven-Brahms programme last night she was consistently and absolutely satisfying. While the Bach was deliciously restrained, the Beethoven showed that Miss Hess's pursuit of pianism involved her in no lack of virility. It is quite certain that in her projected American tour she will uphold the best tradition of the British executive school."

Her programme will be: Schallatti, three little Sonatas in C minor, B minor, C major. Prelude and Fugue by Bach (book 1, No. 21). The Sonata of Chopin, containing the great funeral march. Schumann's Papillons, op. 2. Four pieces by Debussy—Volles, La Cathedrale Engloutie, La Fille Aux Cheveux de Lin, Minstrels. The concert will close with three Mazurkas of Chopin (op. 33, No. 3; op. 68, No. 2; op. 33, No. 1), and the Polonaise in A flat minor.

Soldiers Sell Their Medals To Buy Food and Shelter

Ottawa, Jan. 30.—That many returned soldiers with distinguished records are suffering keenly from unemployment is shown by the fact that in a number of second hand stores here are military medals, military crosses and distinguished conduct medals which have been sold by the owners in order to provide themselves with food and shelter. Military medals bring seven dollars in second hand stores and other medals of silver under that figure.

A MOST ACTIVE YEAR.

North American Life Do Bumper Year's Business.

The business of the North American Life is forging ahead wonderfully, as evidenced by the figures presented in their forty-first annual report. Business issued and revived in 1921, amounted to \$20,279,954 marking one of the company's most successful years and brings the total business in force to \$106,006,667 the highest mark yet reached in the history of the company.

Some conception of the vast scope of the company's business is to be found in the fact that during the past year there was paid to policyholders and beneficiaries over \$1,963,000. This amount included \$454,051.89 paid as dividends, while in contrast to this it is noted that only \$6,000 was paid to guarantors. The death losses incurred during the year amounted to \$550,638.63, being considerably less in amount than for the previous year. The president, L. Goldman, in his address to the policy holders at the recent annual meeting made the important announcement that the same scale of dividends will be continued to policy holders in 1922. This is indicative of the fact that in the company the interests of the policy holders are paramount.

The president pointed with just pride to the increase of over \$1,835,000 in assets during the year, bringing the total amount now to \$21,877,767. After liabilities have been fully provided for, there is a substantial net surplus of \$3,025,364.90, establishing beyond a doubt the unexcelled financial position of the company, which has entitled it to be known everywhere as the company "solid as the continent."

NAPANEE WILL GET BEARD MURDER TRIAL

Erwood Upton in Machine Shop at "Pen" and Brother in Kitchen.

The Whig was informed on reliable authority on Monday afternoon, that the Beard murder trial would be heard at Napanee. Justice Riddell stated that he would consent to have the trial held in Kingston if all parties were agreed, but it is understood that Napanee will get the trial. Application was made for a postponement in view of the publication of the alleged confessions of the Upton brothers, but Justice Riddell would not agree to the postponement. The Upton boys are in good health and have been placed at work at the Portsmouth penitentiary. Erwood, who is an expert machinist, is employed in the machine shop, and Sherwood has been given work in the kitchen.

Culprit Shot to Death.

Pontotoco, Miss., Jan. 30.—WPI Doll, negro, aged 20, charged with attacking a white woman on Saturday, was taken from the officers last night by unidentified men, when being transferred to Jackson, and shot to death.

The police had a very quiet time over the week-end. No arrests were made and there were no complaints of a serious nature.

DAILY MEMORANDUM.

815. Myra Hess in Grant Hall. Skating at Fairbank rink to-night. A. O. H. euchre, Tuesday evening. Refreshments and dancing. A British mail will close at the Kingston post office at 3 p.m. to-night. Box social and dance, Sons of England Hall, Wednesday, February 1st, 3 p.m.

Yes—a corset for your Doll made by the same big manufacturers who make corsets that your Mother likes to wear—Warner's Rust-Proof Corsets.

Your Mother will like the real Warner Corset because it will feel so comfortable, will make her look so well, and will last and last.

Your Dolly will like her little Corset because it is so pretty, as it is made out of the same pretty cloth that many big Warner Corsets are made of.

When you grow up you, too, will want a Warner's Rust-Proof Corset. Little girls who are becoming young ladies all over Canada, England, the United States, Australia, South Africa, South America—almost all over the World—ask for their Warner Corset. They know them, because their Mothers have found them very good for years and years and years.

And because every mother who knows how good Warner's Rust-Proof Corsets are would like to have her daughter's dolly have one too, we will give away one of these pretty little Warner Corsets with every big Warner Corset we sell during the week of—

Jan. 30th to Feb. 4th.

Warner Corsets
\$2.00 to \$4.50

WARNER'S CORSETS come in many different styles, suited for any figure. The Warner Corsets are made from fine French Coutil, and only strong boning and elastic is used in their manufacture. Your particular style is here in the form of a Warner Corset—a style that improves your figure (which is the means of wearing your clothes to better advantage) and at the same time brings better health and comfort to you.
