WEAK HEART NERVES BADLY SHATTERED
Many a woman who should be strong and healthy, full of life and energy is bound by the shackles of ill-health.
Some disease or constitutional disturbance has left its mark in the form of a weak heart, shattered nerves, impoverished blood and an exhausted condition of the whole system.
In
MILBURN'S HEART AND NERVE PILLS
they will find a remedy that will supply food for the exhausted nerves, one that will strengthen and regulate the weak heart and invigorate the whole system.
Mrs. W. W. Pearce, 14 Seaton St., Toronto, Ont., writes:—"I was left with a weak heart and in a run-down condition from the 'flu." My nerves were badly shattered, and I had such pains around my heart I could not sleep much at night. I took several doctors' medicines without getting any better. My husband got me to try Milburn's Heart and Nerve Pills, and after I took one box I got relief, and after taking six boxes I have been well and not bothered since."
Price, 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Thin, Flat Hair GROWS LONG, THICK AND ABUNDANT
"Danderine" costs only 35 cents a bottle. One application ends all dandruff, stops itching and falling hair, and in a few moments you have doubled the beauty of your hair. It will appear a mass, so soft, lustrous, and easy to do up. But what will please you most will be after a few weeks use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. "Danderine" is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. This delightful, stimulating tonic helps thin, lifeless, faded hair to grow long, thick, heavy and luxuriant.

Married in Toronto.
Victoria Church, West Toronto, was the scene of a lovely wedding on Wednesday, Feb. 15th, when Mrs. Anna S. Lister, became the bride of Alexander J. Anderson, K.C., Rev. Mr. McCarrill officiating. The bride was charmingly gowned in a French pastel frock of pearl grey georgette over pink satin, embroidered in silver beads. Her bouquet was a shower of sunset roses. After the ceremony the bride and groom drove to Mr. Anderson's home where an informal reception was held for their immediate friends, after which the bride donned a travelling costume of tulle and sand chameuse, wearing a sealskin wrap trimmed with mole, the gift of the groom. Mr. and Mrs. Anderson left later for New York and Atlantic City. On their return they will reside at 87 Oakmount Road, where they will be at home after April 1st.

More Sand Needed.
The downtown streets were given a liberal supply of sand on Friday morning, but a number of the side streets were in a very dangerous condition and they should receive attention. Many citizens suffered serious falls. The walks are in the worst condition they have been this winter because of the heavy snow and thaws.

Bank Interior Redecorated.
Percy Borland, manager of the Bank of Toronto, has had the interior of the bank redecorated, and the result is most pleasing as the design carried out is one of exceptional beauty. The ceiling and cornice are done in ivory, and the walls in French gray, thus emphasizing the beautiful mahogany paneling of which the whole interior, including counters and desks, is composed.

Getting Rid of a Stubborn Cough is Child's Play Now
Make the Medicine Yourself at Home It's Cheap—but You Can't Beat It.
If you want to take care of that bad, hang on cough and do it in a few hours, better get one ounce of Eucalypt (double strength) and mix a half pint at home.
You can do this in two minutes by adding a little sugar and enough water to fill a half pint bottle.
You'll travel the world over before you get a medicine that will act so surely and quickly on the mucous membrane of the nose and throat. It halts the inflammation, the tickling sensation stops with the first spoonful, the heavy breathing goes and clean membrane, free from irritation, and mucus follows.
For Catarrhal conditions such as mucus droppings, clogged nostrils and watery eyes, it won't disappoint—ask for Eucalypt (double strength.) Speak plainly so that the druggist will know exactly what you want.

WINTER HARD ON BABY
The winter season is a hard one on the baby. He is more or less confined to stuffy, badly ventilated rooms. It is so often stormy that the mother does not get him out in the fresh air as often as she should. He catches colds which rack his little system; his stomach and bowels get out of order and he becomes peevish and cross. To guard against this the mother should keep a box of Baby's Own Tablets in the house. They regulate the stomach and bowels, and break up colds. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
