I'm So Tired

Fatigue is the result of poisons in the blood. So when the kidneys fail to purify the blood one of the first indications is unusual and persistent tired feelings and pains in the back.

Neglected kidney troubles lead to years of suffering from rheumatism or develop into such fatal ailments as Bright's disease.

The kidney action is promptly corrected by use of Dr. Chase's Kidney-Liver Pills — the best known regulator of kidneys, liver and bowels.

Mrs. John Ireland, R.R. No. 2, King, Ont., writes:

"I was a great sufferer from severe headaches and bilious spells. I tried a number of remedies without obtaining any benefit until I was advised to use Dr. Chase's Kidney-Liver Pills. These completely relieved me and made me feel like a new person. I am very grateful to Dr. Chase's medicine for what they have done for me, and you may use my letter for the benefit of others."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers or Edmanson, Bates & Co., Ltd., Toronto.

An American eagle, having a spread of seven feet from tip to tip, was taken to Belleville recently by Jacob Hill, an Indian living on the Tyendinaga reserve. The eagle, according to Hill, alighted in his chicken run and after securing one of the hens flew to the barn roof to devour his catch. A charge from a shot gun destroyed its existence.
