THE HOUSES DAMAGED
IN A LIVELY BLAZE

The Firemen Were Called to Ellerbeck Street on Friday Night.

The firemen were called out at 5.45 p.m. on Friday to fight a fire in two frame dwellings at 45 and 47 Ellerbeck street. The house at 45 is owned by A. Hill, who had just recently purchased the property and was having some repairs made before moving in. No. 47 is owned and occupied by William Kelley. The fire started from some unknown cause in the latter place. The blaze broke out over the kitchen. The loss of insurance carried was not known on Saturday morning.

The firemen used three lines of hose, one line from the hydrant at the corner of Ellerbeck and King streets and the other two off Livingston avenue. Owing to the fact that conditions looked very serious, a call was sent in for the steamer as soon as the firemen arrived on the scene, but the steamer was not needed.

Both houses suffered serious loss. Quite a large number of citizens gathered at the scene of the fire. Guards at the penitentiary, as well as other citizens, rendered the firemen valuable assistance and the members of the fire department appreciated very much the help given them. The crew on a street car passing just at the time the fire broke out, rushed to the scene and succeeded in getting out some of the furniture belonging to Mr. Kelly.

ARE HERE SUNDAY.

Commissioner and Mrs. Sowton at S. A. Citadel. Kingston will be visited tomorrow by the new commissioner for the Salvation Army for Canada East, Commissioner Sowton, whose appointment to that district was received with general satisfaction by the Salvationists therein. He is particularly suited to this territory as he had much experience when Canada was in the one division, as Chief Secretary, and later, after seven years spent in India, he returned to this country as commander of the Western Territory when the first scheme of partition was put into force.

The new commissioner's headquarters are situated in Toronto. He is pre-eminently in spirit a Salvationist, and his whole army career of over thirty-eight years bears tribute to that fact. While a keen administrator, he is in principle and practice a man of heart and deep religious purposes. He has been brought into contact with people of high and low degree in many different nations—Oriental, European, Transatlantic—and, incidentally, in its need and aspirations, it is the same the world over.

Commissioner Sowton's first appointment was to Norway, to command of which territory he was appointed when Salvationists had only been in the country nine months. After fine service to Norway, he and Mrs. Sowton passed on to Denmark and later to Sweden, later returning to America once more for work in large cities.

The visit of Commissioner and Mrs. Sowton to Kingston tomorrow is an auspicious event.

Knights of Grip Event. The members of the Knights of the Grip held an enjoyable social event on Friday night for the entertainment of their wives and friends. It took the nature of a progressive five-hundred party, in the commercial travellers' rooms, Bank of Commerce building. The prizes were won by Mrs. W. G. McArthur and W. H. Penwarden; while consolation gifts were given to Mrs. A. F. James and Fred. Dennison. After the games were concluded, the gathering adjourned to the Belmont dining hall, where James Gardiner, H. C. G. presided. A. Abernethy delighted the party with a solo, and a very enjoyable evening was concluded with the singing of the National Anthem.

Dr. S. W. Dyde, of Queen's University, addressed the Woman's Canadian Club, Belleville, Friday evening. He is the guest of Dr. and Mrs. Marshall for the week-end.

Miss Gloria Mahon, a member of the Rex Stock Company, is a former resident of Belleville, her parents having lived there about ten years ago.

J. W. Day, Belleville, came to Sydenham hospital, to undergo another operation.
