WAS TROUBLED WITH HER LIVER For Over Four Months

When the liver becomes slow, sluggish and torpid it is not working properly and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow among which are, sick or bilious headaches, heartburn, water brash, jaundice, floating specks before the eyes, pain under the right shoulder, coated tongue, bad breath, yellow eyes, etc.

MILBURN'S LAXA-LIVER PILLS quickly remove the secretions, clear away the effete and waste matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood. Mrs. Alice Mehil, Napanee, Ont., writes:—"I was very badly run down for over four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Milburn's Laxa-Liver Pills, and before I had used half of it I was much better. I only used two vials and I am a different person to-day. I can safely recommend Laxa-Liver Pills to any one troubled with liver trouble." Price, 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

A wild leap has its hazards and impulsive jumping at prices too low to be logical—this is risky business too. Suits are reasonably lower—you can afford to be reasonable in your Suit shopping. A Lion Model Suit this year is not only better quality but range in prices—\$12.50, \$16.50, \$27.50, \$30.00, \$35.00, \$40.00, which sold a year ago at \$25.00, \$30.00, \$35.00, \$45.00, \$55.00 and \$75.00. This difference represents the normal natural manufacturer's decrease since then, and any clothes that cost less OUGHT TOO—they're LESS in QUALITY. If you want quality at quality's price, here it is. Be Suspicious of Tender Gums

Be suspicious of any tenderness or bleeding of the gums. This is usually the first stage of Pyorrhoea—an insidious disease of the gums that destroys the teeth and undermines bodily health. Gradually the gums become spongy. They inflame, then shrink, thus exposing the unenameled tooth-base to the ravages of decay. Tiny openings in the gums form gateways for disease germs to enter the system. Medical science has traced many ills to these infecting germs in the gums weakened by Pyorrhoea.

They are now known to be a frequent cause of indigestion, anaemia, rheumatism and other serious conditions. So watch carefully for that first tenderness or bleeding of the gums. Try Forhan's immediately. It positively prevents Pyorrhoea (Riggs' Disease) if used in time and used consistently. And in preventing Pyorrhoea—it guards against other ills. Forhan's (For the Gums) cleans teeth scientifically as well. Brush your teeth with it. It keeps them white and clean. If gum shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment. 35c and 60c tubes in Canada and U. S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.
