**RELIGIOUS EDUCATION DAY**

**Sunday School Convention Was Held in St. James Hall on Monday.**

The annual convention of the Kingston branch of the Ontario Religious Educational Council was held in St. James' church hall on Monday afternoon and evening. During the afternoon the gathering took the form of group conferences. The services commenced at two o'clock when the Kingston Ministerial meeting was addressed on the topic "week day religious education in the Public Schools." Between six and seven o'clock supper was served by the ladies. From seven to nine o'clock group meetings took place when subjects dealing with the teaching of the children in the Sunday schools was discussed under the leadership of Miss B. Laine, Rev. C. F. Plewman and Rev. Manson Doyle, who are Sunday School work specialists. Miss M. Gemmill was unable to come on account of illness. When the mass meeting took place at nine o'clock the reports of the parallel group meetings were read by the chairman in each case.

Girls' Work section was presented by Miss Luella Farrort. The president, Miss Quirt, opened the session by calling upon two of the members to lead in prayer. This was followed by the reading of the minutes and reports of the secretary and treasurer. The secretary's report dealt briefly with the activities of our Kingston Girls' Work Board during the past year it being our first year in existence. We had a course of six lectures to prepare us for undertaking the work of the Canadian Girls' in Training. These lectures were well attended being carried on in three Methodist and one Presbyterian church.

Aside from this course the Girls' Work Board, augmented by all teen age workers met socially twice during the year. The election of officers for the ensuing year followed: President, Miss Ethel Davis; vice-president, Miss King; secretary, Miss Mildred Clow; treasurer, Miss Hughson; councillors, Misses Goodfellow, Peters and Rutley.

In the absence of Miss Gemmill, Rev. Manson Doyle led in a very interesting and practical discussion of the C.G.I.T. programme. It is hoped that during the year this programme will form a part of the Sunday school work in every church in the city. The girls' work board will render any assistance.

C. W. Simmons, chairman of the boys' work board, reported as follows:

That every teacher of teen age boys be registered in either a Taxis or Trail Ranger programme. That we will co-operate with the executive committee on boys' work in whatever programme they present.

That a committee from the boys' work board be formed to make preparation for a city wide athletic meet during the week of April 22nd. Your boys' work board will co-operate and asks assistance from the executives of the various Sunday schools to promote the Leadership Training.

That badge work be inaugurated in all the Sunday schools; that a closer union of boys' groups from the various churches be brought about by community conclaves and contests.

That an intensifying and deepening of interest in the devotional lives of boys be stimulated.

The officers for the ensuing year are as follows: President, William Dalby; vice-presidents, S. A. Hittman and William Bruce; secretary, C. W. Simmons.

Rev. J. C. Robertson gave a helpful address on the subject "Educational Evangelism, its meaning and Aim." He brought to the attention of the large gathering the great care that must be taken in the training of the child from the time it enters the cradle roll until it is past the teen age.

The local committee made a survey of conditions in Kingston during the past year and the Sunday of February 25th got a report on the number of children who attended Sunday school. The report is as follows:

Mr. Rodger intends selling out by auction, and has secured the services of S. Howard Lyon, Toronto, who is Canada's leading jewellery auctioneer. Mr. Lyon has conducted all the large sales in Canada, and has a practical knowledge of the jewellery business.

On Tuesday the store was closed for the purpose of re-arranging the show cases so as to be in readiness for the sale which commences at three o'clock on Wednesday afternoon. Sales will be held at 3 p. m. and 8 p. m.

Mr. Rodger, when speaking to the Whig, stated that he was in need of rest. During the period of the war he was a very active man, having worked on the Victory Loans, was one of the three-minute speakers in the theatres, etc. For three years he drilled the St. Andrew's Highland cadets. Two years he sat as an alderman, was vice-president of the Board of Trade and is an active member of the Kiwanis Club.

**BUTCHER BILL CASE IN DIVISION COURT**

**Judge Madden Decided That the Plaintiff Could Not Collect.**

There were nine cases on the docket of the sitting of the Division Court which was presided over by Judge Madden at the court house on Tuesday morning. Only three cases were heard. The case of Louis Weinger, Montreal, vs. E. L. Amey, Verona, by consent of the two lawyers, was transferred to Verona.

After considerable evidence was heard in the case of two citizens who were sued for non-payment of butcher bills, which extended over a period of five years, Judge Madden decided that the plaintiff could not collect. The defendants claimed that they had paid the account to two butchers, who during that period died. A. B. Cunningham and W. M. Nickle appeared for the defendants and T. J. Rigney appeared for the plaintiff.
