Your Child Can Go To College
Of course, you want your child
to enjoy the aid that a University
training gives in the battle of
life. You need not scrimp to
make this possible.
Take out a child's endowment
policy issued by our company.
Under this policy the amount is
payable to the child upon reach-
ing a specified age. Should the
parent die the premiums cease,
but the policy is paid to the child,
just the same at maturity, should
both the child and father die be-
fore maturity, the amount would
be paid to the assured's estate.
Let us explain this policy to you.

tawa on 11th March of William Dou-
glas, M.A., superintendent Orphan

for the past six months has been at-
tached to the headquarters staff at
Ottawa, is returning to Kingston on
Wednesday and will resume his du-
ties at the R.C.H.A. He will be ac-
companied by his wife and family.

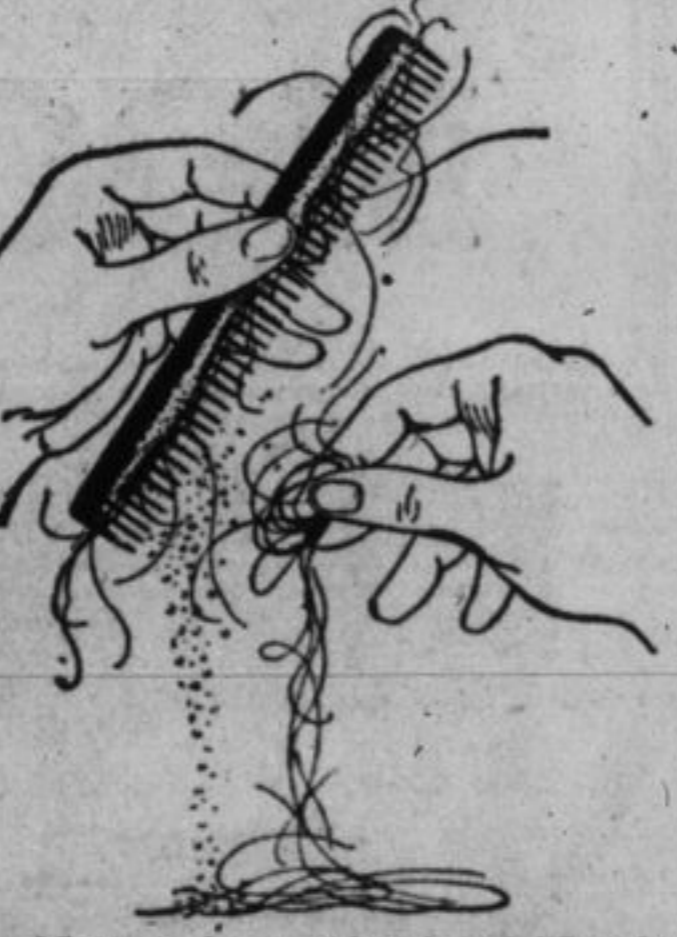

To Attend Conference.
The Kingston Rotary Club has ap-
pointed Rotarian Leman A. Guild,
the vice-president of the local club,
as a delegate with Rotarian Taylor
Dale as alternative, for the district
convention to be held at Rochester,
N. Y., on March 31st and April 1st.

To Practice in Deseronto.
Dr. F. O'Reilly, a graduate of
Queen's University, has opened an
office in Deseronto. He served over-
seas, three years with the C.A.M.C.
in Egypt, England and France. After
demobilization he remained in Great
Britain, where he spent two years in
hospital practice.

Mariners Sigh For Navigation.
Many of the local mariners are
sighing for a sight of "blue water"
again, and are hoping to see the ice
in the harbor break up very soon,
and the various vessels take up their
routes. However, the ice is still
thick, and unless a heavy rain comes
to "honey-comb" the surface it will
remain a while longer.

Dies of Heart Failure.
James Murray, aged fifty-five, C.
P. R. locomotive engineer, running
an express passenger service between
Smith's Falls and Montreal, was
suddenly taken ill while on his way
to work on Friday and died shortly
after being taken to his home. Mur-
ray was a native of Scotland.

A Kingston School Yell.
Talking about yells, here is one of
a girls' school in Kingston:
One, two three! Who are we?
We are don't you see.
Huff, puff, we're the stuff,
We know a lot
But we never know enough!

Clearing Princess Street.
A number of workmen employed
by the city were engaged on Tuesday
afternoon removing the ice from the
sidewalks on the south side of Prin-
cess street, and digging a drain to
allow the surplus water to run off
the pavements.

Leaving Seeley's Bay.
Mrs. J. M. Balderston, who has
been spending the winter with her
sister, Mrs. G. M. Huriburt, See-
ley's Bay, has returned to Theresa,
N. Y., where she will meet her hus-
band and spend a few days with
their daughter Frances, before re-
turning to their summer home at
Cranberry Lake.

May Get Him Yet.
It is thought that after David
Palmtree made his escape from the
Pieton jail he made his way to Osh-
awa. The prisoner told the chief of
police on Sunday that he had intend-
ed going there. The police authori-
ties in all the cities and towns have
been asked to be on the look out for
Palmtree.

Won't Stand Heavy Loads.
Residents of Wolfe Island, who
were in the city on Tuesday after-
noon, stated that it was doubtful if
any more heavy loads of hay would
cross the ice from the island to the
city this spring. One man stated that
he would almost take any kind of
chance but the ice was certainly get-
ting a little too weak for his liking.

River Opening Up.
The warm sun of the past few
days has honeycombed the ice in the
St. Lawrence about Brockville to a
great extent and the light winds
have opened wide gaps in the frozen
surface of the river. In 1919 the
river was not clear of ice until
March 29th and March 10th, 1921,
saw the St. Lawrence thoroughly
opened up.

Steals Glass From School Door.
One of the most peculiar thefts on
record was discovered at Elgin
Ward school in Smith's Falls. The
caretaker found that during the
night somebody had stolen a large
pane of plate glass from the front
door of the school. The glass was
carefully removed and carried away
by the thief who secured something
worth about \$15.

Spoke at Ottawa.
The Ottawa Citizen has the fol-
lowing: Rev. W. S. Lennon, of
Kingston, president of the Montreal
Methodist conference, was a visitor
to the regular monthly meeting of
the Ottawa Methodist Ministerial As-
sociation in Dominion church under
the chairmanship of Rev. Dr. J.
H. Philip. Rev. Mr. Lennon spoke
briefly on the great ecumenical con-
ference of Methodists held last year
in the old country and which he at-
tended.

Low Prices Obtained.
The agriculture representative to
the Ontario Department of Agricul-
ture of Lennox and Addington re-
ports: "At a recent auction sale, two
year old pure bred Holstein heifers
sold at prices ranging from \$50 to
\$80. The farm machinery brought
very low prices. It is almost im-
possible to get a bid on hay loaders.
A number of farmers have tapped
their sugar bushes. All next week
many of them will be very busy mak-
ing syrup. Considerable hay has
been purchased for the Indian reser-
vers in Tyndinaga."

72nd Wedding Anniversary.
On March 5th Mr. and Mrs.
John Hough celebrated their 72nd
wedding anniversary at their home
in Pieton. This is a record that can-
not probably be equalled in Canada.
Mr. and Mrs. Hough were married
on March 5th, 1850. Mr. Hough was
born on June 20th, 1824, and is
therefore in his ninety-eighth year.
Mrs. Hough whose maiden name
was Ferguson is in her 90th year.
Both are enjoying fairly good health.
Their only surviving son is John
Hough, Winnipeg, a director of the
Union Bank of Canada. Mrs. W. H.
Williamson and Mrs. J. J. Colliver,
Pieton, are daughters.
