Advertising Alliteration!
As advertising assists all ambi-
tious aspirations and accompanies
adequate activity, as all active ad-
vertisers admit; as advertising aids
accomplishments and attracts at-
tention, alluring as ably as attract-
ing, all ambitious aspirants are ac-
tive advertisers.

arrived at Tete de Pont barracks at
about 5.30 o'clock on the afternoon
of March 28th. The troops were
given a civic reception of which Ex-
