**SORES SPREAD ALL OVER FACES AND BODIES**

Mrs. Howard Houlette, Waskateau, Sask., writes:—"I wish to tell you of the benefit we have received by using your valuable medicine, Burdock Blood Bitters."  
My children started to break out on their faces in small white pimples which kept getting larger each day. Pus would form under the scabs and they would come off, and each time the sores would be larger; some were as large as a twenty-five cent piece, and would spread all over their bodies. I was nearly in despair and sent to the village for a bottle of good blood medicine. The druggist sent me a bottle of Burdock Blood Bitters, which I commenced giving them at once.  
In about ten days I saw an improvement and they grew steadily better each day, and in one month the sores had all disappeared.  
All blood and skin diseases are caused by bad blood, and to get it pure and keep it pure you must remove every trace of the impure and morbid matter from the system by a blood cleansing medicine such as BURDOCK BLOOD BITTERS—a remedy that has been on the market for the past forty-five years, and one without an equal for all diseases and disorders of the blood.

**Would Be Hard to Get Guards.**  
The general opinion of the people at Portsmouth is that if the Department of Justice followed the suggestion of Warden Ponsford and had the prison moved from the village it would be almost impossible to get the guards to do duty. One man stated that it was bad enough to spend the days behind the bars without being taken to the woods to spend the rest of their days.

**Goes To Another Parish.**  
Rev. Sydneyham B. Lindsay, rector at St. Mark's church, Valleyfield, Que., for nearly three years, is returning to Montreal with Mrs. Lindsay and their little daughter, and they will be the guests of Mrs. Lindsay's parents, Dr. and Mrs. J. P. Hanington, until they take up their residence at Ahuntsic, Que., where Mr. Lindsay is to be the rector of St. Andrew's Anglican church. Rev. Mr. Lindsay at one time lived in Kingston.

**The Goose Who Laid.**  
The golden eggs was, owned, evidently, by a very big goose, one who did not appreciate the value of an egg a day. The merchant who does not appreciate the value of an ad a day, when consistent, "is a bit of goose." Advertise in this newspaper and build your business into one that will produce golden eggs every day.

**Has No Power to Remit.**  
The Standard Iron Company, Deseronto, has asked further consideration by the town council of its plea for a remission of the taxes on the plant there. The clerk was asked to inform the Standard Iron Company that council has no power to remit taxes, that the matter of free taxes would require the voice of the people and that council would be glad to meet the company at any time and talk matters over.

**Redecorating British-American.**  
The British-American Hotel, for two generations Kingston's far-famed hotel, is being redecorated and renovated by the new manager, Earl Ashley, who is rapidly restoring the reputation of this hotel. The spacious rotunda and waiting room is beautifully finished and affords a pleasant outlook on Clarence and King streets. A pleasant fireplace sheds a glowing warmth, a new and happy thought. The dining room has been enlarged to seat one hundred guests at one time, and is found to be a splendid banqueting hall by city clubs, the menu and service being at all times the very best to be desired.

**Richard Currie is Gone.**  
The friends of Richard Currie, Smith's Falls, were shocked to learn that he had passed away on Sunday. Richard Carlisle Currie was born in Smith's Falls in January, 1851, the second son of the late Martin Currie and Margaret Williamson, his wife. In his early years he worked with his father in the shingle mill, later was associated with his brothers in the manufacture of croquet sets, and still later with the late Edward Milne, built, equipped and operated a bolt and nut factory, the building still standing even yet retaining the name "Bolt Factory." After this with the exception of a few years with an Orillia firm, Mr. Currie was a valued employee of the Frost & Wood Company, until his retirement last year. A man of cheerful disposition, ex-

emplary character and an ardent Presbyterian he enjoyed the friendship and esteem of a great many of the older residents of the town.

**BABY'S HEALTH IN THE SPRING**  
The Spring is a time of anxiety to mothers who have little ones in the home. Conditions make it necessary to keep the baby indoors. He is often confined to overheated, badly ventilated rooms and catches colds which rack his whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. This will prevent colds, constipation or colic and keep baby well. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**Clayton, N.Y., Divides Honors.**  
At Clayton, N.Y., George Hawn, Republican, was elected president at the charter election; Barney Farrell, Democrat, trustee; Fred Cuppennell, Republican, treasurer; Carroll Shire, collector, and Eugene Swartout, re-elected treasurer. The proposition to vote a strip of the village near the railroad tracks at the east out of the corporation was carried.

**Goose Coated With Ice.**  
On Sunday evening John Martin, Little Britain, heard a thump and a clatter upon his roof. He opened the door to ascertain the cause of the noise, and was surprised to see a large wild goose upon the ground. He secured it. The bird is a splendid specimen and Mr. Martin is quite proud of the prize. The bird was heavily coated with ice which caused its fall.

**Novo Scotia Lady Who Had Failed to Find a Remedy for Her Back and Stomach now Swears by Dodd's Kidney Pills.**  
East Chezzetcook, Halifax Co., N. S., March 24th. (Special).—Mrs. Mary Horgan, well known and highly respected here, is enthusiastic in her praises of Dodd's Kidney Pills. "I cannot speak too highly of Dodd's Kidney Pills," Mrs. Horgan states. "They have helped me wonderfully when all other pills have failed."

**GRANDMA USED SAGE TEA TO DARKEN HAIR**  
She Mixed Sulphur With It To Restore Color, Gloss, Youthfulness.

**Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and lustrous. Just a few applications will prove a revelation if your hair is frizzy, streaked or gray. Mix in the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.**

**While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by so doing all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and lustrous.**

**IF SKIN BREAKS OUT, IS FIERY, ITCHY OR ROUGH, USE SULPHUR**  
Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place. Because of its germ destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness. You do not have to wait for improvement. It quickly shows. You can get a little jar of Mentho-Sulphur at any drug store.

**Had Done Fine Work.**  
The wedding of Stephen Joles, of Vermont, U.S., and Miss Gertrude Berry, second daughter of David Berry, Ventnor, Ont., was solemnized at the home of the latter's parents in the presence of the family. Miss Berry was well known by the splendid work she accomplished as a nurse, also for the splendid record she made as a nurse overseas with the American forces.

**The New Dairy School.**  
An early start is being made upon the rebuilding of the Kingston Dairy School in order that it may be ready for operation as soon as possible and so that there may be the least loss to the industry in the Kingston district through the loss of the school. Engineers were busy this morning in making a survey of the site according to the requirements of the proposed new building, and when the plans, which Prof. Zuffelt is preparing, have been approved by his department, tenders will be called and an early decision made. Prof. Zuffelt is showing great energy, for since the fire he has been rushed with the work and to his initiative is due the progress that has been made in this whole matter.
