### ELECTRICAL POWER FOR TOWNSHIP OF KINGSTON

Engineer to Meet the Council  
at Cataract on April  
Sixth.

The Kingston township deputation which went to Toronto to interview the Hydro-Electric commission regarding power supply for the township was well received, and as a result of their request a representative of the commissioner's engineering staff will meet the township council and the ratepayers in the township hall at Cataract on the evening of April 6th. The commissioners could see no reason why Kingston township should not be connected up with water power. The Kingston township delegation consisted of Reeve Clark and Councillors C. J. Granah and A. E. Weller. Reeve Sibbitt, of Pittsburg, also accompanied the delegation, and it is possible that his township will also make application for electrical power.

### SATURDAY'S MARKET

Typical Early Spring Gathering Attendance Good.

There was a hustle and bustle about the Market Square this morning despite the fact that the attendance in the covered market was rather light and that outside was not extra heavy. Part of the unusual stir was due to the fact that "Teddy" Green, the major-domo of the market, was preparing for the big event which he summed up by saying: "The R.C.H.A. band is going to play on my lawn at eleven o'clock."

Typical of the spring market were the tulips, daffodils, hyacinths and azaleas in pots and other flowers cut and for sale in bunches. The potted varieties ranged from fifty cents up and bunches from 25c up. New cabbages were priced from 10c to 25c; rhubarb, 15c and 20c per bunch; onions and lettuce, three bunches for 25c; all these are household products.

In the vegetable line, carrots, turnips, parsnips and beets sold at the uniform price of 60c per peck with surprising quantities of each offered. Potatoes were rather scarce and what could be obtained were priced at \$1.75 per bag.

A few chickens were offered at \$1.50 and \$2 each, rather a stiff price for a Sunday dinner, for a family of three. One man remarked that a whole chicken would just do him nicely for one meal.

A few apples were offered. The better varieties sold from 55c to \$1 per peck and some scrub cookers were offered at 40c and 50c per peck.

Maple syrup stayed at last Saturday's mark of sixty cents per quart, or \$2.25 per gallon.

### Say It With Flowers.

Did you ever stop to think what the above phrase represents? The language of flowers is understood by young and old, in every country in the world. Flowers can talk for you, anywhere, any time, through the Florists' Telegraph Delivery Association.

For instance, if you have a friend in a hospital in Cairo, Egypt, and wish to send flowers, place your order with a local florist, who is a member of this truly wonderful association and your friend will receive your message in the language of flowers.

The following message came over the wires to-day to Watts, the Florist, 177 Wellington street:

"March 25.—Deliver Saturday morning a beautiful blooming plant to the Mayor of your home town, with card reading: 'On the opening of the fifth national flower show to-day, it gives me great pleasure to send a message of flowers by wire to you.'"  
"(Signed) Mayor Samuel L. Shank,  
"City of Indianapolis, Ind."

The plant, shown in Mayor S. S. Corbett's window to-day, is a fine specimen of Azalea, grown by Watt, the Florist.

### Y. M. C. A. Event.

The preliminary events in the junior hexathlon were opened at the Y.M.C.A. on Friday evening, and the boys who have entered in these competitions are all "set" for the final trials on next Tuesday night. The entries are very good, and from the showing last night, many of the local "Y" records will be broken. Trials were made in the high jump, target race, potato races, and 8 lb. shot, and boys were entered from the following series: 60-80 lbs., 95 lbs., 110 lbs., 125 lbs., and unlimited classes.

On Saturday morning a number of exhibition games were staged in the gymnasium between two of the classes in the junior division. Keen gangs were played in volleyball, indoor baseball and basketball.

### Louise School Club.

At an inaugural meeting of the parents and teachers of the children of Louise public school, held on Friday evening, it was decided to form a home and school club. L. T. Best acted as chairman. The following officers were elected: President, Mrs. Publow; secretary, Miss Hayward; treasurer, Mrs. Richardson. Miss C. Lovick and Mr. Monk were chosen as representatives to the central council of the athletic association. The following committee was appointed to try and create interest in the club: Mrs. Armstrong, Mrs. Robbs, Mrs. Crawford, Mrs. Holtham, Mrs. Jarvis, Mrs. Caldback and Mrs. Pritchard. The next meeting is to be held on Friday evening next.

The convent of Port, Chicoutimi county, Que., was destroyed by fire Friday. Loss, \$50,000.

### INCIDENTS OF THE DAY

Racy Local News and Items of  
General Public Interest.

Rev. Father McPhail, C.S.S.R., Ottawa, is at the Hotel Dieu for treatment.

Mr. Swaine, piano tuner, orders received at 100 Clergy street w Phone 564w.

W. J. Gibson, country registrar, has been notified that he has been appointed a commissioner for taking affidavits.

Rev. Father Keaney, who has been in falling health of late has gone to consult specialists at the Mayo Brothers Institute, Rochester, Minn.

Miss Catharine Moriarty, passed away at the House of Providence on Friday from heart disease. The deceased was single and was eighty-five years of age.

Colborne had the first agricultural society in Ontario and held its first fair on Oct. 19th, 1829. It published an agricultural journal which it had printed in Kingston.

Many of the local yachting enthusiasts are having their boats overhauled in preparation for the summer season. The yacht club will soon be the scene of activity once more.

General Ross is on these parliamentary committees: on mines and minerals, official report of debates, library. W. S. Reed is on miscellaneous private bills, banking and commerce.

Mayor Corbett has asked the members of the city council to attend the funeral of the late Ald. William Paterson in a body. Many are the warm tributes paid the deceased by citizens.

At the meeting of the Public Library board, held on Friday evening only routine business was considered. The chairman and the librarian were elected to attend the convention in Toronto on Easter Monday.

Henry Pearson, late a private in the C. E. F., passed away at the Mowat Hospital on Friday. The deceased was married and was twenty-five years of age. The remains were sent to Ottawa by James Reid, undertaker.

### Renfrew Milk Ration.

Renfrew, March 25.—At a regular meeting of the Board of Education it was decided to ask the school nurse for a report of the undernourished children in the Renfrew schools with a view to the supplying of a milk ration to these.

### Presbyterian Manse Burns

Cobourg, March 25.—Fire which broke out in the upper part of the house destroyed the Presbyterian manse at Baltimore. Rev. and Mrs. Ferguson and their family were aroused by the flames, and were able to save only some clothing.
