Trinity College School Boxing Competition

Ten bouts in the Trinity College School boxing competition were held on Saturday, March 25th, under the direction of Sergt-Major Batt. A considerable degree of skill was in evidence at times, and as a whole the display was highly creditable to those engaged.

HOUSE COMMITTEE MAY NOT PROBE CHIPPAWA

Premier Drury Forecasts Possibility of a Change in Programme.

Toronto, March 28.—There is now a possibility that the investigation into the cost of the Chippawa will not be conducted by a committee of the House. In making this announcement in reply to a query by Howard Ferguson, Premier Drury did not forecast what form the probe would take. He stated, however, that the government had no intention to back away from its responsibilities in the matter. The matter was at present being looked into very thoroughly and the inquiry would eventually be made in a manner which would ensure promptitude of action.

Mr. Ferguson regarded this as a slight upon the competence of the legislature, and announced that it was his intention to move that a committee of the house do the investigating.

"Apparently," he said, "the government is going to make a right about face on the matter."

Mr. Drury: "Hardly that. Perhaps a right turn. At any rate, the question is too serious to be handled by any investigation which would not be comprehensive and fair."
