SUFFERED YEARS WITH ECZEMA
"Fruit-a-lives" Cleared Her Skin
FOURTEEN ST. PIERRE, P.Q.
"I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good. Then, I used one box of "Sootha-Salva" and two boxes of "Fruit-a-lives" and my hands are now clear. The pain is gone and there has been no return. I think it is marvellous because no other medicine did me any good until I used "Sootha-Salva" and "Fruit-a-lives", the wonderful medicine made from fruit."

Relieves Rheumatism
Musterole loosens up stiff joints and drives out pain. A clean, white ointment, made with oil of mustard, it usually brings relief as soon as you start to rub it on. It does all the good work of the old-fashioned mustard plaster, without the blister. Doctors and nurses often recommend its use.

Kingston and Vicinity

Get What She Is After.
The woman who searches through the store advertisements is searching for coin, for investment, or profit—and she finds all of that.

A Very Successful Start.
It is reported that one Deseronto fisherman lifted 900 lbs. of fish in his nets the other morning; a pretty good start for the 1922 fishing season.

Removing to Kitchener.
Mr. and Mrs. Walsingham Moore, who sold their property in Gananoque last week, left yesterday for Kitchener, Ont., to reside. They have a son and daughter residing there.

Be Real Glad.
Read the advertisements of the store's news and be glad that the merchants in this town are progressive and co-operative enough to keep you informed on important store happenings.

Put Into Good Condition.
Shelley Anderson, who recently purchased Massasauga Park, Belleville, is having that well-known summer resort put in good condition for the coming season.

Are But Way Showers.
Civilization decrees that we must wear clothes, society decrees styles and demands them. Store advertisements are way-showers to procuring proper clothes in season and at reasonable rates.

Drop in Tomato Prices.
Contracts for raising tomatoes are being made with farmers in different parts of Northumberland county at 35c. per bushel. This is a drop of 25c. on the general price paid a couple of years ago.

Dinner and Election.
The annual meeting of the Thousand Islands Fish and Game club will be held at Clayton, N.Y., on April 27th, at which time the annual dinner and election of officers will take place.

Contract Awarded.
The contract for the interior finish for the new consolidated school to be erected at Wellington has been awarded to the Belleville Sash and Door Co., Limited. This school will be one of the finest of the kind in Ontario.

Is Making Progress.
Mrs. E. E. Green, Lyndhurst, who underwent an operation for appendicitis at the Brockville General Hospital, is progressing favorably. Her sister, Mrs. L. A. Price, superintendent of the Memorial Hospital at Dunnville, is with her.

Bill Given First Reading.
A bill amending the penitentiary act, which was given first reading in parliament makes it necessary for provincial authorities to provide treatment for prisoners suffering from infectious diseases before sending them to prisons. The bill was introduced by Sir Lomer Gouin, minister of justice.

We Keep the Quality Up.
Our high grade made-to-measure suits are of the best cloth that money can buy and still we only charge from \$30.00 to \$45.00 a suit. Try us for your next suit. We will guarantee to save you money. Prevost, Brock street.

Epidemic at the Bay.
Scarlet fever has become so prevalent at Alexandria Bay, N.Y., that it is believed action will be taken by the public officials to close the schools unless the disease moderates. At the present time no public gatherings which may be dispensed with are being held, there being no movies at all.

Motor, Meet Mr. Business Man!
That introduction isn't best parlour form, but it is concise and friendly and Mr. Business Man who needs a motor of any kind, practical (or ornamental) for his work or his pleasure will do well to study the offerings in the classified advertisement columns. It is surprising the number of cars, in splendid condition, that are offered at attractive figures.

Gananoque Is Happy.
Gananoque Reporter: It is said by those conversant with the facts that Gananoque will save anywhere from \$9,000 to \$15,000 a year when separation from the united counties becomes a fact. Whoopie! We can then lower the tax rate, have the much-to-be-desired central school, a new public library and the paving of King street.

Died at Appleton.
The people of Appleton felt shocked on Tuesday to hear that George H. Neilson had passed away. Mr. Neilson had been suffering for the past week from pneumonia and although everything was done to alleviate the trouble, all proved of no avail. The late Mr. Neilson leaves to mourn his demise, his wife and a family of six—Mrs. Thos. S. Arthur, Carleton Place, Frank, Merrill and Annie in the west, Allan and Lillian at home.

Well Worth the Price.
Gananoque Reporter: A Kingstonian states he will contribute \$100 to secure the defeat of every alderman who voted to extend the hours during which pool rooms in the city may remain open by half an hour. He probably considers that a half

hour less worry over what his boy may be doing is well worth the price he offers.

Is Making Improvement.
The many friends of Irene Chamberlain, daughter of Mr. and Mrs. C. M. Chamberlain, Westport, will be glad to hear that she is recovering from her recent successful operation for appendicitis, performed in the General Hospital, Kingston.

McGill Student Dies.
Walter Patrick Kearns, B.A., an undergraduate of McGill University, died Friday in the Royal Victoria Hospital following an illness which commenced about two weeks ago. Mr. Kearns was twenty-nine years of age and was the son of Mr. and Mrs. J. T. Kearns, Chesterville, Ont. He graduated in arts from Queen's University in 1915. He had been studying medicine at McGill University and was in his fourth year.

Her Death Ensued.
As a result of burns received while at work in the sugar bush of her farm on March 16th, Mrs. Sarah Horrigan of the 9th concession of Tyendinaga died last Wednesday and the remains were interred at Read, on Friday. Father McCarthy celebrated requiem high mass. Deceased, a sister of John Freeman, Deseronto, was born in Tyendinaga. Her husband died twenty-nine years ago. Surviving her are two sons and one daughter.

Sang in Belleville.
The Belleville Intelligencer says in reporting the concert for the Ladies' Night held by the G.W.V.A. there: "Mr. O'Connor, Kingston, favored the gathering with a solo and numerous encores." The reference is to the part taken in the programme of Charles O'Connor, son of Thomas O'Connor, of this city, who is well known as an entertainer of this kind. Many complimentary things were said about his appearance in Belleville.

Mrs. Simon A. Cole at Rest.
The death of Mrs. Simon A. Cole took place at Milford, on March 15th after an illness of only two days. Mrs. Cole was seventy-four years old.
