**EYEGLASSES OF QUALITY**

There is a knack in selecting just the right kind of eyeglasses to suit your individual needs. Out of the hundreds of different styles, there is probably one that is best adapted to your purpose. It is in this selection that we excel—as well as in fitting the lenses.

**WE FIT THEM RIGHT**

We save you all the discomforts of wearing eyeglasses that do not suit your needs. There are no two faces just alike. Noses differ, eyes are farther apart or deeper set in some than others. We take all these things into consideration and give you what you pay for—the BEST for your individual use.

We are your counselors in all matters of eye-wear.

**ROTARY GROWS STRONGER**

**Report of Kingston Club Vice-President Who Attends Rochester Convention.**

That Rotary is growing stronger and stronger, and doing a wonderful work, is the report given by L. A. Guild, vice-president of the Kingston Rotary Club, who was in Rochester, N.Y., on Friday and Saturday, attending the Rotary convention of the Fourth district, as a delegate from the Kingston Rotary Club.

There were over two thousand delegates at this convention, representing fifty-two clubs in the fourth district, which comprises the northern and western parts of New York state, and the most of Ontario and Quebec. The clubs in Canada most strongly represented included Hamilton, Toronto and Montreal. Toronto and Hamilton ran special trains to convey the delegates to the convention.

The convention gatherings were held in the auditorium of the high school in Exposition Park, the noon-day luncheons being held in another building in the same park, which serves as a community centre.

Hart Seeley, Waverly, N.Y., governor of the fourth district, presided at the convention and Dr. Crawford McCullough, Fort William, president of International Rotary, was present, and gave a most inspiring address. The addresses on the whole, at the convention were of a very high order; in fact they were regarded as exceptionally strong for the good of the cause, so much so that it was decided to have the addresses printed in full and distributed to each Rotarian in the district.

The Canadian delegates to the convention were very much gratified over the fact that Rotarian "Bill" Cairns, past president of the Ottawa Club, was unanimously recommended to the national convention to be held at Los Angeles, Cal., in June, as the next governor of the fourth district.

Mr. Guild is loud in his praise of the warm hospitality shown the Canadian delegates by their brothers across the line. This feeling was manifested when a motion was put to divide the district into two parts. It was the general opinion that Rotary was doing a wonderful work in cementing the bonds of friendship between the people of Canada and the United States, and to bring about "peace on earth and good will toward men." It has been established that the world needs Rotary to help along the church in its work.

Speaking of the entertainment of the visitors, Mr. Guild stated that there was nothing too good for the Canadian visitors and remarked that the arrangements for the big gathering were perfect. On the Friday night of the convention two thousand Rotarians and members of their families were tendered a dinner at this event the Canadian delegates were much in evidence, and did their share in putting the Canadian Rotary clubs "on the map."

Montreal was chosen as the meeting place for next year, and every American delegate announced that he would be on hand for this gathering, so this speaks for the success of next year's convention.

Among the Canadian Rotary clubs represented were Sherbrooke, Montreal, Ottawa, Toronto, Cobourg, Trenton, Owen Sound, Brantford and Kingston.

One very interesting part of the proceedings of the convention was the presentation of a number of cups to clubs having the best attendance record during the last six months. Toronto, Niagara Falls and Owen Sound were among the Canadian clubs carrying off these prizes.

**Police Corralled a Tippler; Over \$100 in His Jeans**

Constable Nicholas Timmerman noticed a middle-aged man staggering along Brock street, shortly before 10 o'clock on Tuesday morning, and on making an investigation found that he was under the influence of liquor and placed him under arrest.

When the man was searched at the police station, he had a wad of bills that would "choke a drain," and on counting it up it was found that the tippler had over one hundred dollars in his possession. The police did him a good turn by taking him in hand, as no doubt, he would have been minus his wad in a short time had he been allowed to stagger around the streets.

**Two Women and Two Men Were Remanded Until Friday**

The two men and two women, arrested by Chief of Police Burke, Brockville, on Saturday, on a charge of stealing goods from a home at Yonge's Mills, came before the magistrate at Brockville, on Monday morning, and were remanded to jail until Friday. The quartette claimed that they were walking from Kingston to Montreal. From information received in local police circles, it appears that the two young women are the couple who were in this city some weeks ago, and taken in on a charge of vagrancy, and ordered out of the city.

Chief of Police Burke, Brockville, recovered bedclothing, pictures, dishes and other household goods stolen from the residence of A. McLean, Yonge's Mills, on Thursday night last. The goods were found under a pile of railroad ties, just west of the Rock cut, where they had been secreted by two men and two women who entered the house Thursday night and were arrested at Brockville.

**R.C.H.A. BAND PLAYS**

On Its New Stand on the Market Square.

The R.C.H.A. band played on the market square on Tuesday morning, occupying the new band stand. The stand is only a temporary structure, the material consisting of railway ties loaned by the street railway company, through ex-Mayor H. C. Nickle. It is not intended that it remain in position.

The band gave an excellent programme under the leadership of Captain Light. On former occasions it rained and spoiled the pleasure of the people, as well as that of the band, but on Tuesday morning everything passed off nicely, and there was repeated applause from the crowded street corners.

New light is thrown on buying problems by the store ads. Grasp all, lose all.

**INCIDENTS OF THE DAY**

**Racy Local News and Items of General Public Interest.**

The store advertising saves you money and it does not cost you one cent.

Mr. Swaine, piano tuner, orders received at 100 Clergy street w Phone 554w.

James Clark, Brock street, a Collegiate Institute pupil, underwent an operation for appendicitis in the General hospital Sunday night.

Don't hang a chart on your walls that tells you of on and off years. Advertise and don't let the on year get off.

There was no session of the police court on Tuesday morning. One case was booked, that of a citizen charged with an infraction of the Motor Vehicle Act, but it was settled out of court.

The funeral of the late William Troy, who passed away on Friday night last, took place from S. S. Corbett's undertaking parlors to St. Mary's cemetery on Tuesday afternoon.

If you want to buy essential things study the ads and know how to buy to the best advantage.

E. P. Jenkins, Princess street, left at noon on Tuesday for Millbrook for the purpose of attending the funeral of his sister, Mrs. Margaret Nugent, who died on Monday.

The members of the Lend A Hand Circle of the Kings' Daughters paid a visit to the Home for the Aged on Tuesday afternoon and in addition to rendering an excellent concert, gave the inmates a treat of maple sugar.

If you want to sell your product to a mass, advertise in this newspaper—if you want to tell to only one or two buyers don't advertise in this paper because you can't accommodate the crowd it will bring.

The Ministerial Association met on Monday night in Bethel church, its members enjoying a splendid repast provided by the ladies. Afterwards J. G. Elliott spoke on the subject, "The Church and the Press."

Every merchant knows that good merchandise is hard to get. Yet every reader of the store ads knows that our merchants are succeeding in supplying the legitimate demands of their customers.

Empire problems and their solution or the possible remedy for the ills that are the result of Great Britain's enormous responsibilities, and of the war, were treated in a brilliant address to the Belleville Rotary Club on Monday, by Dr. Bruce Taylor, Principal of Queen's University, says the Belleville Ontario.

**STEAMER CROSSES HARBOR**  
 But Is Unable to Get Through the Wolfe Island Bay.

The steamer Wolfe Islander made her first attempt to cross to the island on Tuesday morning. Leaving the Brock street wharf at 9.30 o'clock she coursed the harbor as far up as the Collingwood Shipbuilding plant to avoid heavy ice, and finding here a short run to the open water, struck across toward the channel. The ice proved weak and she had no difficulty in breaking a laneway. Reaching the channel, there was fully one mile and a half of open water before ice was again encountered. She made her way to the foot of Garden Island, but could not penetrate the bay to the Wolfe Island wharf. Communication with the wharf was made with sleds.

On the way to the island, the steamer passed George Woodman and Patrick McDermott, the two veteran ice navigators, whose punts carried passengers and freight. Mr. Woodman had two cans of milk and three passengers. They are anxious that the steamer succeed, now that she has made the start, for the passage by punt and over the ice is hard and disagreeable work, with constant danger.

There is a large quantity of farm produce on Wolfe Island waiting to be moved to the mainland, and a great quantity of calves that are reported to be in fine condition for the veal trade. The ferry is bound to be taxed with freight to her capacity for a number of weeks. There is also an accumulation of dairy produce, eggs and poultry, in addition to hogs and other live stock.

**Court Was Adjourned.**

The non-jury sitting of the county court was billed to take place at the court house on Tuesday morning before Judge H. A. Lavell, but the court was adjourned until Wednesday morning. Only one case will require the attention of the court.
