Tompkins, tenor, was the soloist.

At St. George's Cathedral. George's cathedral choir on Sunday, well-known "Best by Test" product, (Faure) during the offertory in the morning. The Dean of Ontario was the preacher and spoke of the story commemorated on Palm Sunday and during Holy Week, the fickleness of the crowd that shouted "Hosanna" and strewed the pathway of Christ with palm branches as on the first day of the week He entered Jerusalem to keep the Passover with His disciples, and was as ready at the first change of public opinion, to join in the cry "Crucify Him" that echos in our ears on Good Friday. dean referred to the story of the love of God, culminated in the sacrifice of His Son on Calvary, so beautifully set before the cathedral worshippers during the recent mission, asking them to keep it in mind especially during this week, and to remember the reproach of the prophetic words: "Is it nothing to all ye that pass by? Behold and see if there be any sorrow like unto my sorrow."

At St. Mary's Cathedral, Palm Sunday was observed at St. Mary's Cathedral with most elaborate services in the morning when Archbishop Spratt officiated and blessed the paims. He was assisted by Rev. Father James, who said the mass. Rev. Father Lacey, deacon, and Rev., Father Coyle as sub-deacon. The procession of sanctuary boys bearing palms in commemoration of the entrance of Christ into the city of Jerusalem, as narrated in the Bible, was a most impressive and boys under the direction of Rev. Father Lacey and Professor L. Nourry. The singing of the mass was brilliant, and reflected the greatest credit upon the choirs and their instructors.

FIRST CARGO ARRIVES.

Barge With Hay Reaches Kingston From Cape Vincent.

A small bargeload of baled hay was brought over to the city from Cape Vincent on Sunday, by the Pyke Towing Company. This will be transhipped by railroad to western points. Mr. Pyke came by way of motor-boat from Wolfe Island Monday morning, passing through the canal. There is very little water in the canal as yet, and great difficulty was experienced with the motorboat. There is some ice near the canal on the south side of Wolfe Is-

The harbor is now entirely clear of ice. It is understood that the steamer captains will not report here for a few days yet, as little can be done in the way of inter-lake navigation until the canals are opened. The official date for navigation will
