EASTER OPENING

UNFOLDING FASHION'S SMARTEST CONCEPTIONS
FOR THIS GLORIOUS DAY

THE smartly designed costumes which compose our apparel displays were selected with an appreciation that Easter is Fashion's own day. Suits, Frocks, Coats and those trifling though telling accessories inspired by the world's foremost designers have been beautifully interpreted to meet the Easter needs and whims of fashionable women.

**SMART FASHIONS
IN SPRING SUITS**

THE propitious time for the appearance of Suits is Easter Sunday, especially such distinctively styled Tailleurs as these. Not only are they attractive for the day, but a Suit is the most serviceable costume for a continuous season's wear. Braiding and Embroidery brighten the darker suits of Navy Blue, while the Homespun and lighter Suits are debonaire enough as to fabric without other garniture.

\$25.00 to \$56.50

**CLOTH FROCKS
IN THE NEWER STYLES**

YOU know how comfortable a Cloth Frock is—how convenient to slip into at a moment's notice, and yet how perfectly it costumes you. Serges bring much smartness to bear on this Spring's Frocks, with Satin and Embroidery occasionally taking a hand and composing the trimmings.

\$9.00 to \$48.50

JUST now you are anxious to know what Fashion's latest mandates are for Easter. It is the purpose of this exhibit, to acquaint you with them. So let this announcement be your personal invitation to come.

**SPORTS COATS
OF UNUSUAL DISTINCTION**

IF it is to a Coat that you have decided to give the privilege of costumeing you for the Easter promenade, you will find these worthy of your favor, either the luxurious Coats of soft pile fabrics or the more dashing coats of Sports Woollens in their gay but pretty colors. Selections are generous enough to meet individual preferences, and prices extremely moderate.

\$14.50 to \$45.00

**SILK DRESSES
IN EXCLUSIVE STYLES AND NEW
SHADES**

A BECOMINGNESS that surpasses fleeting smartness, a suitability for ever so many occasions, fabrics readily adaptable to varying silhouettes accounts for the long lived popularity of silk frocks. You will see just as many for Spring as formerly, featuring new style details of course, but still the smartest sort of Dress you may choose for Easter.

\$18.50 to \$80.00

WITH assurance you can view our display of the new correct wear and profit by knowing how well we have prepared to meet your every requirement.

POTATOES!

POTATOES! POTATOES!

Just received a car of Seed Potatoes—
Green Mountain and Irish Cobblers.

Those who desire their seed changed
should communicate with us at once. This
car contains 500 90-lb. bags of Green
Mountain and Irish Cobblers. They are the
finest sample that has reached Kingston for
many years. Any potato expert will tell
you that, to get the best results, seed
should be changed every second year.
Don't let this opportunity pass without get-
ting some of these. It is cheaper to grow
your own. One bag of Seed Potatoes will
produce ten bags.

STEAK.—For the busy housewife we
have 1000 lbs. of choice Western Steer Beef
to cut in steaks. Tuesday morning, at per
pound 20c.

A full line of Smoked Hams, Picnic
Hams, Cottage Roll, Breakfast Bacon and
