MacNary-Bonisteel Wedding.
A quiet but happy event took place
at Trenton, last week, when Ada
Belle, third daughter of the late W.
G. Bonisteel and Mrs. David Mac-
Nary, was married to Ross MacNary,
only son of Mr. and Mrs. David Mac-
Nary, Sidney. The bride travelling
in a smart tailored suit of sand
tropicine embroidered daintily in
henna, grey fox fur and a becoming
hat of henna shade. The happy
couple left amid showers of confetti
and good wishes for Peterboro, Tor-
onto and other western points. On
their return they will reside on the
3rd con. of Sidney.

Mrs. John B. Allen at Rest.
Mrs. Allen, wife of John B. Allen,
of Madoc township, recently passed
to her eternal reward. Mrs. Allen,
whose maiden name was Agnes Lund
was a daughter of the late Thomas
Blackburn Lund, Napanee. She was
born in Yorkshire, England, fifty-
four years ago. Seventeen years ago
she was married to Mr. Allen, and
since then resided in Madoc town-
ship. Being a woman of rather deli-
cate health she was denied the privi-
lege of taking an active part in pub-
lic functions, but she was most hos-
pitable and she learned the "luxury
of doing good" in quiet ways. She
was a woman of gentle spirit, a real
home-maker, a true friend and much
beloved by all who knew her. She
leaves to mourn her loss her hus-
band, John B. Allen, five sisters,
and an aged mother.

**PIMPLES
ON FACE**
DIDN'T LIKE TO GO OUT
Those nasty little pimples that
break out on the face and other
parts of the body are simply indica-
tions that the blood is out of order
and requires purifying.
There is only one way to get rid of
this obnoxious skin trouble, and that
is by giving the blood a thorough
cleansing which can best be done by
that old reliable blood medicine

BURDOCK BLOOD BITTERS
and when the blood is purified the
pimples will vanish and you will have
a clear, healthy complexion.
Miss Mary E. Flanagan, R. R. No.
3, Stella, Ont., writes:—"I suffered
for about two years with pimples and
blotches breaking out on my face.
The doctor said it was caused by
bad blood. My face was so bad I
didn't like to go out among a crowd
of people. One day I was talking
to a friend, and she advised me to
get a bottle of Burdock Blood Bitters
and try it. I just took three
bottles, and there was not a blotch
or pimple of any kind left. Some of
my friends asked me what I had used
and I said 'Burdock Blood Bitters
chased them.'"
B. B. B. has been on the market
for the past 45 years, so you are not
experimenting with some new and
untried remedy.

Geo. Wormwood Balm.

**Blackheads Go Quick
By This Simple Method**
Blackheads — big ones or little ones—
soft ones or hard ones—on any part
of the body, go quick by a simple meth-
od that just dissolves them. To do
this get about two ounces of peroxide
powder from your druggist—sprinkle a
little on a hot, wet sponge—rub over
the blackheads briskly for a few sec-
onds—and wash off. You'll wonder
where the blackheads have gone. The
peroxide powder and the hot water
have just dissolved them. Pinching
and squeezing blackheads only open
the pores of the skin and leave them
open and uncared for unless the
blackheads are big and soft. They will
not come out, while the simple appli-
cation of peroxide powder and water
dissolves them right out, leaving the
skin soft and the pores in their natu-
ral condition. You can get peroxide
powder at any drug store and if you
are troubled with these unsightly
blemishes you should certainly try this
simple method.
