

## Busy Women must keep their health in constant repair

The rush of life to-day overtakes women's strength and nervous energy. What, then, can you do to maintain health, so that duties may be fulfilled?

It is not medicine or stimulant that your system needs—but super-nourishment to restore depleted vitality.

"Ovaltine," a delicious beverage to take at meals or between meals, fills this need perfectly.

### OVALTINE TONIC FOOD BEVERAGE

"Ovaltine" is highly concentrated nourishment, extracted from ripe barley malt, creamy milk, fresh eggs and cocoa, in the form of crisp golden granules. It is rich in nerve, brain and body-building elements, and is assimilated without the slightest digestive effort. Drink it every day. Easily prepared at home or office.
