UNABLE TO WALK FOR A YEAR

Paralysis Entirely Relieved by "Fruit-a-tives"

The Wonderful Fruit Medicine
Paralysis is a break-down of the Nervous System and affects the victim in various ways. Sometimes, *neuritis, insomnia, constant headaches, or it may be so bad that one is partially or completely helpless in some part of the body, just as Mrs. Heacock was.*

SATISFIED MRS. MARIÉ, Ont.
"When I was twenty-eight years of age, my doctor advised me to have an operation, which I did and it proved very serious, leaving me weak and unable to walk for a year. Seeing your "Fruit-a-tives" advertised in the papers, I decided to try them. I continued to use them regularly, and today I am able to go about my home duties and care for my family."
MRS. J. W. HEACOCK.

Any form of Nervousness is often caused by, and is always aggravated by, Constipation, which poisons the blood, irritates the kidneys and inflames the nerves. "Fruit-a-tives" stimulates the action of liver and bowels, kidneys and skin—tones and sweetens the stomach—keeps the blood pure, and builds up the entire nervous system.

In a word, "Fruit-a-tives" has proved that it is the most scientific and effective remedy in the world for Nervousness or a disordered condition of the nervous system.

The rush of parcels from Toronto through the parcel post on Thursday was so heavy that the Kingston post office authorities had to put on an extra wagon to make the delivery. The matter of chief concern to the patrons and salesmen just now is the price. Nobody can say what the opening figure will be and there is general speculation over the outcome of the board meeting.

Baseball by Wireless.
A number of local amateur operators in wireless telephone work are greatly interested in the report from

Toronto that a newspaper intends to send out the results of the big league baseball games every evening by wireless 'phone. The wave length to be used will be of 450 metres, which is quite suitable for the instruments in use by the majority of amateurs. The results will be sent out each evening at 7 o'clock, and the baseball "bugs" will thus have the opportunity to obtain the score almost as soon as the fans in the big cities.

BABY'S OWN TABLETS ALWAYS IN THE HOME
Once a mother has used Baby's Own Tablets for her little ones she always keeps a supply on hand, for the first trial convinces her there is nothing to equal them in keeping children well. The Tablets are a mild but thorough laxative, which regulate the bowels and sweeten the stomach, thus driving out constipation and indigestion, colds and simple fevers and making teething easier. Concerning them, Mrs. Saluste Pelletier, St. Dumas, Que., writes:—"I have used Baby's Own Tablets for the past ten years and am never without them in the house. They have always given the greatest satisfaction and I can gladly recommend them to all mothers of little ones." The Tablets are sold by medicine dealers or direct by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Pneumonia developed and after a fight of eight days against the disease she passed away on Tuesday, deeply regretted by all who knew her. Her passing at the age of twenty-one years is extremely sad.

A strong pipe in a sweet house deserves strong language.

Abbey's EFFERVESCENT SALT for the Nerves

Nearly Insane From Leg Ulcers
She tells of suffering and brief story of her cure.
Read these two letters from Sarah D. Lawrence of Roebuck, Ontario. "I can't sleep at night from leg ulcers. I am in pain most of the time. I have doctored but no use. A lady from Winnipeg says that D. D. D. cured her of a bad case of eczema. That her sores are all healed. Can you help me?"
Now a few words from a later letter. "I have used D. D. D. as directed, and my leg is completely well."
Why not be convinced and try this remedy today for any form of skin disease. One application and the itch is gone. You'll never be back if relief doesn't come from the first bottle. It is a bottle. Try D. D. D. Soon too.
