Insurance and Your Estate

No matter what your wealth, unless you leave some life insurance your heirs are bound to suffer.

Life insurance will provide your heirs with ready money immediately and so will remove any necessity for selling securities in what may be an unfavorable market. You can take out insurance to be used to pay the succession duties on your estate, and thus have it kept intact.

As a business man, the value of insurance to your estate must be apparent.

Let me have a talk with you on business insurance.

KING STREET - KINGSTON

Y.M.C.A. SWIMMING MEET.

Results of the Events Held on Thursday Morning.

The fifth junior swimming meet was held at the Y.M.C.A. on Thursday morning, with a large number of

contestants, and spectators in attendance. The events were run off under the direction of Physical Director Dean, and very keen competition prevailed throughout. Some real skill was exhibited by the youngsters, and their work was a credit to the splendid training received as members of the association.

John Daybell received the high mark in points, winning first place in five of the events. Will Kershaw, Bert Vince and W. Wood were very close in the scoring list, and the boys all did remarkably well. The number of points secured by the boys taking part were:

John Maybell, 33; Will Kershaw, 32; Bert Vince, 31; Willis Wood, 30; Harold Buck, 20; Bob McFarlane, 20; Harold Harper, 20; Newt Clafin, 20; Jim Trenhale, 16; Fred Thornton, 15; Ken Robinson, 14; Allen Pollock, 13; Jack Trenhale, 13; Leon Smith, 13; Wes Powell, 11; Jim Dennison, 7; Bob Wood, 5.

FAMOUS SURGEON DEAD.

Sir Alfred Pierce Gould Was Noted Lecturer.

London, April 21.—The death was announced yesterday of Sir Alfred Pierce Gould, widely known surgeon. For a long period he was senior surgeon and emeritus lecturer on surgery. Until recently he was dean of the faculty of medicine of the University of London and had written extensively on surgical subjects. He was seventy years old.

Sir Alfred Pierce Gould was chancellor and president of several important English medical institutions. He was born at Norwich in 1852, a son of Rev. George Gould. In 1885, he married a daughter of the late Rt. Hon. Lord Justice Lush.

He has written several eminent works on medicine, in particular on the science of surgery.

Mrs. Mary Brady Donaldson, aged 63 years, widow of the late Alexander Donaldson of Detroit, Mich., formerly of Cape Vincent, N.Y., was fatally injured in an automobile accident in Flint, Mich.

Oftimes the cautioner pays the debt.

"GOING SOME" AT GRAND

The Rex Stock Company Playing in Comedy For the Week-end.

Decked out in the very latest mode of athletic equipment, and with medal ribbons flying to the breeze, Friend Rex won a thrilling hundred yard dash, beating all previous records at the Grand on Thursday evening. This was the climax in a laugh-producing play entitled "Going Some," and thanks to the careful training of "Billy" Yule as "Larry Glass," the old college coach, and the slippery methods of the other fellow in the race, Rex as "Mr. Speed" certainly did go some. There wasn't a dull moment in the whole play, and when "Bill" Yule was in action, the audience was in one continual roar of merriment.

The play has its setting in the wild and woolly west, or in other words on the Flying Heart Ranch, New Mexico, and has to do with the adventures of a number of easterners who are summering on the ranch as the guests of the owner. The "punchers" have just recently lost a much-treasured "phonygraft," as a result of a foot-race with a rival ranch, and when Mr. Speed appears on the scene, one of the girls, Miss Vaughn, asserts that he will be able to win it back for them, as he was a prominent Yale athletic hero. "Speed" did not wish to disappoint his admirers, so he consented to enter the race, but he immediately sent an urgent telegram to his college chum, who really was a sprinter. All went well until the day of the race, when the chum appeared at the ranch on crutches, and Speed was forced to enter himself. The cowboys became suspicious, and even wrathful, and at the alternative of an early grave, the Yale "hero" decided to run. At the last minute he met the other contestant, who was willing to "fix" the proceedings, and so everything passed off happily.

Rex and Billy Yule were the laugh elements of the evening, as usual, while William Mitchell was also very funny. Miss Vaughn was splendid in her role, and Hazel Williams as the Spanish senorita, was equally good. During the intermission the Park Kiddies rendered several splendid acts. The same show will be given tonight and on Saturday afternoon and evening.

Letters to the Editor

Another Egg Record.

Maberly, R. R. No. 1, April 15.—(To the Editor): I see a lot regarding egg records in your paper. The latest is Mrs. A. F. Fry, of Gananoque, whose flock of thirty-one Lighorns laid 1,381 eggs from Nov. 1st till April 10th. I have a flock of fifty-one hens, (28 pullets and 23 old hens). Twelve of my pullets were hatched the last of April and the rest in May. One pullet had twenty-three eggs laid on the 30th of Sept., one eighteen and one seventeen; in all 58 eggs of pullets in September. Since the first day of October up to the 10th day of April I have 2,735 eggs laid as follows: In October, 210; Nov. 174; Dec., 295; Jan., 324; Feb., 379; March, 532; to April 9th, 291; totalling 2,735 in six months and 9 days. My hens are all Barred Rocks and some of them pullets weighing 7-12 pounds each. According to my figures, my hens laid nine more eggs each than Mrs. Fry's in the same length of time. On tenth of April I shipped eighteen of my old hens and have three sets at present, and in the three days to date I received 66, which I think is a very good record for a flock of hens.

Yours,
MRS. ROBT. McDONELL.

Dr. Grant Lecturing.

Calgary, April 21.—Dr. W. L. Grant, principal of Upper Canada College, Toronto, was in the city this week delivering addresses on various subjects at the convention of the Alberta Educational Association and the Alberta Teachers' Alliance. At a joint banquet of the two organizations on Tuesday evening Dr. Grant delivered an address on "The Importance of English in Canadianizing the Emigrant."

Peterboro Sunday Cars.

Peterboro, April 21.—On the first Sunday in May Peterboro-street cars will resume the Sunday service for the summer season, as inaugurated last year. Notice to this effect has been received by the council from the Hydro-Electric Commission. The utilities committee, at a meeting this afternoon resolved to stand behind whatever action T. H. Stinson, of Lindsay, took in regard to bringing the Central Ontario municipalities together to discuss taking over the Central Ontario power system.

Prices Continue to Drop.

Ottawa, April 20.—Prices are again on the down grade. Reports to the labor department for March show appreciable decreases in both the wholesale prices' index number and the family budget of retail prices of foods. The greatest decreases are in dairy products.

Lorne Green of the Ontario government employment bureau has an encouraging report of the unemployment situation.

Ideas, prospects and opportunities are in the classified ads. You can turn them into dollars with a little study.

Miss Jessie Roberts, Division street, who underwent an operation in the General Hospital, is improving.

As much up with, as much down with.

PROBS:—Saturday, fair and becoming milder.
