SORES SPREAD ALL OVER FACES AND BODIES

Mrs. Howard Houlette, Waskatana, Sask., writes:—"I wish to tell you of the benefit we have received by using your valuable medicine, Burdock Blood Bitters.

My children started to break out on their faces in small white pimples which kept getting larger each day. Pus would form under the scabs and they would come off, and each time the sores would be larger; some were as large as a twenty-five cent piece, and would spread all over their bodies. I was nearly in despair and sent to the village for a bottle of good blood medicine. The druggist sent me a bottle of Burdock Blood Bitters, which I commenced giving them at once.

In about ten days I saw an improvement and they grew steadily better each day, and in one month the sores had all disappeared."

All blood and skin diseases are caused by bad blood, and to get it pure and keep it pure you must remove every trace of the impure and morbid matter from the system by a blood cleansing medicine such as **BURDOCK BLOOD BITTERS** a remedy that has been on the market for the past forty-five years, and one without an equal for all diseases and disorders of the blood.

Bilious Headache

WITH many people bilious headache returns so regularly that it may be described as a habit.

By eating too much or of foods which do not agree and by taking too little exercise the liver becomes torpid and sluggish and the bowels constipated.

Then comes the bilious spell, when the liver can no longer control the bile and the whole system is poisoned and upset.

But this bilious habit can be broken up, and you can get away from these periodical headaches if you will use **Dr. Chase's Kidney-Liver Pills** in order to keep the liver and bowels in condition.

TERRIBLE HEADACHES

Mrs. A. F. Letts, South Fork, Sask., writes: "I suffered from terrible headaches, so severe I thought sometimes I would go crazy from them. No remedy I ever tried helped me until I used Dr. Chase's Kidney-Liver Pills. Since using them I can say I am never troubled with headaches now, and feel much better generally."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.
