SYNOD EXECUTIVE MEETS HAD A SUCCESSFUL YEAR

The Annual Synod Gathering To Be Held on May 30th.

Probably the briefest but certainly not the least important meeting of the executive committee of the Synod of the Diocese of Ontario was held in St. George's hall on Tuesday morning, the bishop of the diocese presiding. Chiefly routine matters were disposed of, consisting of the preparation and adoption of reports to be presented for confirmation or otherwise at the approaching synod of the diocese which is to be held in this city on May 30th.

The temporary superannuation of Rev. George Code was extended for a further period of three months after which it is expected that he will occupy the rectory of Lombardy.

The receipts of the Forward Movement money reported amounted to \$125,400 and the diocese has benefited to the extent of \$41,500. Owing to the financial stringency, there is still outstanding \$23,000 and the time limit has been extended to the fall.

A request was received from St. George's cathedral for an increase in the rent paid by the Synod from \$400 to \$600. After discussion a compromise was reached and the rent fixed at \$500.

The bishop announced that Dean Cosgrove, Trinity College, Toronto, has consented to conduct a "Quiet Day" for the clergy of the diocese on May 29th at the cathedral.

The attendance at the executive meeting was good, there being but seven absentees out of a possible thirty-nine, and in these cases sickness was the cause. Much business was transacted with dispatch, and after noonday prayer by the bishop the executive adjourned till May 30th.

E. P. Jenkins Retiring as Superintendent of Sydenham Street Bible School.

At the annual meeting of the teachers and officers of Sydenham street Methodist Bible school, held on Tuesday evening, E. P. Jenkins, who has been superintendent of the school for the past six years announced that he would not accept the nomination for that position for another term. The members of the school board were very anxious that Mr. Jenkins allow his name to be presented, but he stated that he could not think of meeting their request. During the time Mr. Jenkins has been the presiding officer of the Sunday school board, he has done faithful service, and it is with regret that he is compelled to sever his connection with the school. Mr. Jenkins was elected superintendent when T. F. Harrison, who held the position for many years, removed from the city.

The teachers and officers were not prepared to elect a successor to Mr. Jenkins so the meeting adjourned until Tuesday evening next.

The reports of the different committees showed that the year was one of the most successful in the history of the school. The secretary-treasurer's report explained that the finances were in good condition.

The election of officers will take place at the adjourned meeting. Rev. Dr. R. H. Bell, the pastor of the church, presided.

PLANS ARE PROGRESSING.

For the 21st Battalion Club Dinner on May 17th.

At the regular monthly meeting of the 21st Battalion Club in the Armouries on Tuesday evening, reports were read from the various committees with regard to the anniversary banquet, to be held on May 17th. Letters were read from General Sir Arthur Currie and Hon. George P. Graham, Minister of Defence, who will be the principal speakers for this big affair. It was unanimously decided that the club's representative at the banquet will be Major, the Rev. W. E. Kidd, who was chaplain of the 21st battalion in France.

Plans for the big dinner are progressing most favorably, and the citizens of the city are expected to co-operate in every manner possible. It should be understood that the affair is not merely a celebration for the 21st club alone, but is the anniversary of the return of Kingston's own battalion from France, in which every Kingstonian is interested.

The dinner will be informal in character, and is a splendid opportunity for a big "get-together" occasion. Among the speakers will be Dr. A. E. Ross, M.P., and other prominent citizens. The R.C.H.A. band and P.W.O.R. pipe bands will be in attendance.

Weather Notes.

Pressure is highest off the South Atlantic coast and in the middle Pacific States and quite low throughout the northwestern portion of the continent. Showers have occurred locally from British Columbia to Lake Superior also, in Eastern Quebec and the Maritime Provinces.

ZION DINNER AND CONCERT

Was Held on Tuesday Evening—A Splendid Programme Was Presented.

A successful concert and dinner was given in Zion church hall on Tuesday evening, being the annual Easter dinner and entertainment for the young people of the church. There was a splendid attendance, and the affair was one of the best in the history of the church. The concert was arranged by the Ladies' Guild under the leadership of Mrs. Briggs. Rev. Edwin H. Burgess, the pastor, acted as chairman, and also addressed a few remarks to the audience.

The programme included the following: Solos, Miss Mildred Irvine, Miss Bruton, Mrs. Prager, Master Arnold Fair, and Miss Katherine Prager; monologues, Miss Goodfellow; recitations, Miss Ethel Pringle; piano solos, Miss Saunders and Mr. Packer, and violin solos, Miss Muriel Arbuckle. The accompanists were Miss Saunders, Mrs. Lennox and Mr. Packer.

Every number was accorded repeatedly, especially the delightful songs and recitations of little Miss Prager, who made her first appearance before the public. The tables were prettily decorated for the dinner, and too much praise could not be given to the ladies of the church society for their work.

"School Days" To-night For the Last Time

Wesley Barry delighted another large audience at the Grand Opera House in the big joyful production "School Days," which started at this theatre on Monday evening and has been playing to full houses ever since.

There are many scenes in this great moving picture which are worth the price of admission in themselves, and even the sub-titles and explanatory sketches with them were a big side attraction in themselves. There is nothing in the picture that the most innocent child could not see; no matrimonial problems; no eternal triangle (unless indeed it be the old, old one of boy-fishpond-school or the equally old one of boy-big city-home); the teaching of Freud are not advanced.—in fact it is something very closely resembling the old-fashioned clean moving pictures which became unfashionable years ago and are now hailed as new departures.

Of course Speck Brown (Wesley Barry) was so informal as to elevate his hand in an impish "high sign" at one stage of the proceedings but we can forgive him for this when we have seen just one or two of the laugh-producers he gets away with by the dozen.

"School Days" is playing for the last time tonight and the Rex Stock Company starts tomorrow evening in "The House of a Thousand Candles."

Princess Street Methodist Ladies. The annual meeting of the Ladies' Aid of Princess street Methodist church was held on Tuesday evening, with a good attendance of the executive and other members. Satisfactory reports were turned in from the various committees, while the treasurer's report showed the splendid balance of \$150 for the year. The following officers were elected: President, Miss Mary Gardiner, re-elected; first vice-president, Mrs. George Pound; second vice-president, Mrs. Fred. Hall; secretary-treasurer, Mrs. Horne, re-elected; assistant-secretary, Mrs. T. Timms.

The merchants know that if their advertisements do not pay you, they will not pay him.

Pay your debts first and give presents afterward.

BISCUIT NEWS

Don't forget your morning meal of "Crothers' Graham Wafers."

A trial will convince you of their goodness and will make you a constant user of them. Begin to-day to use Crothers' Biscuits and help keep up a home industry that has been in business in Kingston for over fifty years.

IN MARINE CIRCLES

The Brockville cleared for Platon and Northport yesterday afternoon, and will arrive back today with a cargo of canned goods from Northport.

The steamer Cicca passed down last night to Montreal.

The steamer Easton passed down yesterday from the head of the lakes to Montreal.

The Thunder Bay arrived up from Montreal yesterday on the way to the head.

The Yorkton passed down last night to Montreal.

The Pyke Company is working on the tug Weaver at the M. T. wharf, and is making good progress with the raising operations.

It is understood that the steamer Joyland, aground near Clayton, and which has been abandoned to the underwriters, will probably be sold at public auction as soon as possible. The contract for salvaging the vessel will be awarded by the new owner.

Capt. M. Shaw, of the steamer Jeska, was awarded the harbor-master's hat, a coveted honor among mariners at Oswego, during a fitting ceremony recently. Capt. Shaw piloted the first vessel into Oswego harbor this year, a couple of weeks ago.

Quebec St.

Detached brick bungalow, 5 rooms, electric light, bath and toilet, excellent cellar, hot air furnace, large yard, private gateway. Immediate possession. \$250 down; balance in monthly payments.

\$3600
